A Note from the Principal

Homecoming

Dear Fairview Families and Students,

We're excited for tonight's Fairview Homecoming football game and tomorrow night's Homecoming Dance. These events are a wonderful opportunity to come together and celebrate our Knight Pride and school spirit. However, it's important to remember that these events are privileges that come with the responsibilities to understand and follow our school rules for positive and appropriate conduct and CHSAA rules for good sportsmanship. Fairview is committed to a culture of respect, where we work together to ensure everyone's safety and enjoyment of our community events.

Please keep the following in mind:

- *Respectful Behavior:* Treat everyone with kindness and respect. Avoid any actions that could make others feel uncomfortable or unsafe.
- *No Drugs or Alcohol:* This includes both on and off school grounds.
- *Student Code of Conduct:* Violations can result in consequences that include but are not limited to removal from the event and suspension from attending future activities and events.

Fairview High School's Student Council has done an excellent job organizing and planning an exciting Homecoming experience! To ensure that these events are safe and successful, I ask that our parent community continue to partner with us in communicating with our students about the importance of adhering to all district and school policies, including but not limited to the consumption and/or possession of drugs or alcohol on any BVSD school campus. Furthermore, if any attendee appears to be under the influence of drugs or alcohol, we have a legal obligation to address the situation.

We all want our students to have a fun and safe experience. Unfortunately, Homecoming can be a time when students decide to experiment with alcohol. I asked our school nurse, Paula Waldhoff, to share her message about some ways you, as a parent or guardian, can help your student make good choices:

Talk to your teen: Parents or trusted guardians do have a significant influence on teen behavior. Make sure expectations of behaviors and consequences are clearly understood and adhered to. Normalize non-use: Statistically, not "everyone" is using substances. Most students do not use any substances and most won't use them at Homecoming.

More information: [Talk They Hear You](#) [Talk to Teens About Drugs and Alcohol](#) [Talking to teens about drugs and alcohol](#)

Our goal is to provide a safe and inclusive environment for all students at school and during our extracurricular activities. Although I feel the need to restate the expectations at school events, I have the utmost confidence in our students and community. I trust and remain optimistic that our FHS students will make safe and responsible decisions while also having a great time. Thank you in advance for your continued partnership and support in ensuring the safety and welfare of our kids.

Let's make these events memorable and enjoyable. Together, we can create a positive and safe environment for everyone.

Thank you, Knights.

Dr. Scarlet Chopin

Principal, Fairview High School

Attendance Excusal Information

Dear Parents and Guardians,

If you've called to excuse your student, there's no need to submit a form or send an email—**one method is enough**. Due to the high volume of calls and emails, please disregard any follow-up alerts from the attendance line once you've submitted your excusal request.

BVSD uses a robocall system, so you may still receive alerts until your excusal is processed, which can take 24 to 48 hours depending on the queue as we tend each call or email manually.

To stop these notifications, you can disable them in the Communications tab of your IC portal, but keep in mind this may also prevent you from receiving important updates, such as messages or emergency calls.

Thank you for your patience!
