A Note from the Principal

Dear Fairview Families and Students,

My message today is one of gratitude and thanks. It's important for you to know that our students have been complimented and praised during the past couple of weeks for their exemplary behavior. Our students are demonstrating at school and at our after school events what it means to be a Noble Knight. Last Friday night's first home football game was magical thanks to our Marching Knights Band, our Cheer and Poms teams spirited performances, our football team's valiant efforts against a mighty opponent, and thanks to our Seniors 2026 and our student body. Our Seniors 2026 are showing up as leaders here at school and in our community. After this week's BMX No Hate Assembly, the BMX leads asked me to communicate their sincere praise for our students and their outstanding behavior. Our students were praised for their respectfulness, kindness, curiosity, engagement, and model behavior. They indicated that this was one of their best experiences because of our students and their positive cheers and model conduct. Most significantly, the majority of feedback I have

received about yesterday's stressful, difficult, traumatic events have been positive compliments for our staff and students. Our students and staff were heroic yesterday. I am grateful for our Fairview community and the care our Knights have shared with each other and out in the world.

Thank you, Knights.

Dr. Scarlet Chopin

Principal, Fairview High School

No Hate Tour Assembly: Overcoming Bullying and Promoting Positivity

On **Tuesday, September 9th**, we had an amazing assembly during Advisory!

The **No Hate Tour** brought top skateboarding and BMX pros from the X Games to perform on state-of-the-art half-pipe ramps and box jumps while sharing important bullying prevention strategies. The pros spoke to students about their own experiences with bullying (both online and offline), overcoming obstacles, being an ally, inclusion, kindness, surrounding yourself with positive influences, problem-solving, and mental health awareness. The BMX pros were also joined by the U.S. Marines, who attended the assembly to provide information about opportunities with the Marines and challenged students to see who could do the highest number of pull-ups.

Support Fairview Teachers & Students – FPO Donations Needed

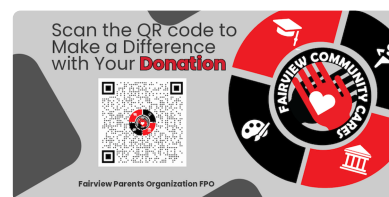

The **Fairview Parent Organization (FPO)** is asking for a **\$150 per student donation** to fund vital classroom grants, teacher support, and school events like Freshman Pizza Lunch, Senior Picnic, and Coffee with the Principal.

Last year, FPO provided **over \$60,000** to support teachers and programs, including science equipment, SAT prep, music stands, and teacher professional development.

Your support is **essential** to keep these programs strong!

Helping Us Keep Attendance Records Accurate

Dear Parents and Guardians,

Please keep in mind that when excusing your student for a specific period, we need the **period number**, not the name of the class your student will be missing. This helps us ensure the absence is recorded accurately.

For partial absences during the day, please provide the **exact time** your student will be arriving at or leaving Fairview. General statements such as “*arriving mid-morning*” or “*will not be in afternoon classes*” do not give us enough information to record the absence correctly.

We appreciate your cooperation and understanding. Please note that calls and emails are addressed **in the order they are received**, and it may take up to **48 hours** for your student’s attendance record to be updated.

Volunteering in the FHS College/Career Center

This center is part of the Counseling Department at Fairview and provides a place where students can receive help exploring careers, options for education, and experiences during and after high school, including the college search and application process.

We also research and maintain the Counseling Department website: [Fairview Counseling Website](#)

The CCC is next to the Counseling Office and is the location where we host college representatives and hold a wide variety of meetings, instruction sessions, and activities with our counselors and other organizations on campus.

Volunteers are needed for an entire morning or afternoon at the same time each week, and experience with Google Site or other website maintenance would be helpful.
