### **MIDDLE SCHOOL PHILOSOPHY**

The middle grades include 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup>. Middle grades represent the best chance for students to develop a personal commitment to educational goals. The middle school concept meets the academic and social needs of students. It is critical for middle school students to experience high standards of academic excellence in a school setting, which distinguishes the importance of personal growth and maturity. The most effective instruction at the middle grades emphasizes academic integrity while making an emotional connection with students. Students will have access to a common academic core and have access to support, enrichment or intervention as needed. In addition, all students will participate in physical education and an elective class.

## GENERAL INFORMATION

### **SCHOOL HOURS**

Student class hours are 8:00 a.m. to 2:43 p.m. Students are considered late if they are not in class at 8:00 am. The campus is open to students from 7:25 a.m. to 2:43 p.m. Minimum Days end at 12:30 p.m. Staff supervision begins at 7:40 a.m. every day. The school's main office closes at 3:30 pm daily. ### **ONLINE ENROLLMENT VERIFICATION REGISTRATION**

Parents/guardians are required to complete an online Enrollment Verification Process. The online Enrollment Verification Process is found within the ParentVue portal, and requires the parents/guardians to electronically verify their students' emergency contact information and provide household size/income. This parent data is a requirement in order to provide adequate LCFF (Local Control Funding Formula) funding to our schools. This process will replace the annual emergency card update and school lunch application. **Students whose online verification process is not completed prior to the beginning of school will not be allowed to start school until it is done.**

Only the people listed as an emergency contact will be allowed to pick up students from school and/or have contact with a student during school hours. In the event that there are any changes to home or emergency contact information, please make those updates in the ParentVUE portal. However, changes to home address need to be made by visiting the front office and providing proof of address.

### **CLOSED CAMPUS**

Jehue is a closed campus. All visitors must sign in at the front office to receive a visitor's pass using the *Lobby Guard* system. Students must assemble in the quad when arriving at school and remain on campus until dismissed.

### **BEFORE AND AFTER-SCHOOL LOITERING**

Students are prohibited from loitering in nearby parks and housing complexes before and after school, unless they are accompanied by an adult who is a tenant. If students are waiting for transportation, they must stand on the designated areas as determined by Administration.

### **SCHOOL BUILDING HALLWAYS**

Students are not allowed in any building hallway before school until the bell rings at 7:55 a.m. unless you have an appointment to meet with your teacher. In that case, the student will need a pass from that teacher to verify the appointment. Students are also not permitted in the hallways during lunch without a current hall pass. Students are expected to go directly from class to class and not socialize or loiter in the hallways during passing periods. Running, pushing, or defacement of school property will not be tolerated while in the hallways.

### **HALL PASSES**

When outside the classroom, students must have a pass. Students without a pass are considered truant. Students who are delayed by a teacher or staff member should get a pass before leaving the area. Teachers will only write passes for valid reasons and bathroom passes will not be issued during the first 10 minutes or last 10 minutes of class unless it is an emergency.

### **RESTROOMS**

Designated restrooms are open to all students before school, during passing periods, and at lunch, unless an emergency arises during class time, students must have a (teacher-issued) hall pass to use the restroom during class time.

### **BREAKFAST (IN THE CLASSROOM) AND LUNCH**

All students' lunch and breakfast meals will be provided at no cost for the 2024/2025 school year due to the RUSD participation in the Community Eligibility Provision (CEP) program. Breakfast is provided every day in the classroom. Students may pick-up lunch at the Express Lane or they may purchase snack food items at the Snack Bar. Students must eat in designated areas and dispose of any litter in their area. No food items are allowed in the quad area.

#### **A few rules to remember:**

- No stealing- If caught stealing, disciplinary action will be taken.
- No rough housing/ horseplay.
- No cutting in line.
- No throwing, pinching, squeezing, or squirting the contents of opened condiment packets on others.
- Any student participating in a food fight or a disruption will receive disciplinary consequences.
- Please have your money ready when purchasing snack food items. No bills larger than a 20-dollar bill will be accepted. If you have a larger bill, you will have to clear it through the Principal's Office.

### **TRANSPORTATION**

All transportation arrangements must always be made in advance. Telephones are available in the office to students only in the event of an emergency.

### **Student Identification Cards**

Each student will be issued an ID card. It is essential that students wear their ID and show them as they enter the campus and while they are on campus. The ID card also serves as the student's bus pass. Replacement ID cards will be issued at the library between the hours of 8:00 AM to 2:30 PM. All students must have a current student ID to participate in on-campus and district extracurricular activities.

## **TELEPHONES**

**A telephone is available in the back office for emergencies.**

Students who have not been picked up on time will be allowed to use the telephone **15 minutes after dismissal**. Due to the large number of students, we are unable to relay personal messages to classrooms. Our goal is to minimize classroom disruptions so that students can receive uninterrupted instruction.

## **PARENT VISITATIONS TO CAMPUS**

Parents are always welcomed and encouraged to visit the campus. Parents must complete a "Classroom Visitation Request" form prior to visiting any classroom to allow teachers to be given a 24-hour notice. All parents are required to check in at the front office and be prepared to show proper identification for all campus visits. Parents are not allowed in the quad area during lunch, unless they are cleared by Rialto Unified School District through the volunteer program and have administrative permission.

## **BICYCLES/SKATEBOARDS**

Riding bicycles and skateboards is prohibited and both must be walked while on campus –all property within the sidewalk closest to the street is considered school property. A bicycle/skateboard rack is located at the south end of the A Building. Students must lock their bicycle or skateboard in a secure manner. The school and district assume no responsibility for lost or stolen bicycles or skateboards. Any report of theft should be made immediately to the school and to the Colton Police Dept. Motor-driven scooters and skates are *not* permitted on campus.

**BIKE HELMET LAW:** It is California State law that every student who rides a bicycle to school wears a helmet. Students must wear a helmet if riding a bike to school.

## **PHYSICAL EDUCATION ATTIRE**

RUSD Board Policy 5132 states that students are expected to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or is likely to cause a substantial disruption to the educational program. Accordingly, the district has set standards for the physical education clothing in alignment with its Board Policy that students are expected to wear attire that is suitable for the physical activity and promotes safety.

As such, students are required to change clothing appropriate to the physical activity for hygiene, safety and movement efficiency purposes. The following options will assist to meet the expectations of dressing in "suitable" physical education attire:

- 1) Purchase the school's physical education clothing.
- 2) Wear their own clothing (as long as suitable).
- 3) Borrow the school's "loaner" physical education clothing.
- 4) Work with school administration to meet expectations.

NOTE: Students cannot be penalized **academically** for their inability to purchase the school physical education attire or outside attire that is not suitable or in matching colors, or for wearing loaners. (Education Code 49066(c))

To be excused from P.E. you must bring a note from your parent. A parent's note may be accepted for two days only. If a student needs to be excused for more than two days, he/she should bring a note from his/her licensed doctor to the school nurse who will write an excuse.

## **LOCKERS & LOCKER ROOM**

Each student will be provided with a locker and a code for the combination lock. Students are to keep their locker in good condition. Individual lockers are provided to the students as a convenience. (Board Policy JN). *Students should refrain from sharing locker combinations with other students, or permitting other students to access their assigned locker.* All locker combinations are changed on an annual basis or upon reassignment to another student during the same school year. **USE OF**

**THE LOCKERS IS AT THE STUDENT'S OWN RISK AND THE DISTRICT ASSUMES NO LIABILITY FOR LOST, STOLEN, OR DAMAGED ARTICLES AS A RESULT OF SUCH USE.**

**DO NOT SHARE LOCKERS OR LOCK COMBINATIONS!**

### **NURSE**

Students need to get a pass from a teacher prior to going to the Health Office. During a passing period, students need to report, first, to the teacher of their next class. Some students may possess special passes for regular health office visits. They must be in possession of the pass during each visit. Students who cannot participate in P.E. for more than two days, must bring a doctor's note. Students who are ill or have a temperature above 100.4 should stay home. Parents of students who require any medication must make the necessary arrangements, including a written doctor's note on file, through the Health Office. Students who are required to carry medication on their person such as inhalers or epi-pens, must have a doctor's note on file in the nurse's office.

### **STUDENT ACCIDENT & DENTAL ACCIDENT INSURANCE COVERAGE**

This is to advise you that the Rialto Unified School District DOES NOT carry medical or dental insurance for students should they be injured on school premises, while on school grounds, or attending school-sponsored activities. However, the District has an insurance plan available to parents for their consideration. The application form describes the coverage, benefits, and limitations of the plan. If parents wish to utilize the plan, they must complete the application, enclose the appropriate payment, and mail directly to the insurance plan. These application forms are available in the front office throughout the school year. For further information, please call Pacific Educators, Inc. at (800)722-3365.

### **OUTSIDE DELIVERIES**

**No** outside deliveries of flowers, balloons, stuffed animals, etc. for Jehue students will be accepted on campus. Per Rialto USD policy, school campuses are not permitted to accept third party deliveries of food from outside vendors (ie: GrubHub, DoorDash, etc.). Families are allowed to drop off lunch for their child in the front office but will be asked to remain in the office to hand it directly to their child. Students are not allowed to share their food or drinks with other students.

### **ASSOCIATED STUDENT BODY (ASB)**

The ASB is an organization through which elected or appointed student representatives can express their opinions and assist in the functions of the school. Candidates for ASB office are selected by a panel of students and teachers. Selected candidates are then elected to serve as student body officers. Only ASB-sponsored sales are allowed on campus. No food, drinks, gum, candy, etc., is to be sold by students for personal profit or for outside organizations. These items will be confiscated and disciplinary action may be taken.

### **COUNSELING CENTER**

Counselors can help students in a variety of ways. If you have concerns about scheduling classes, academic planning, or personal problems, a counselor is available to assist you.

If you need to see a counselor, you should fill out a Counselors' Appointment Google Form. It can be obtained by accessing the JMS website. Teachers will not release students during class to make an appointment. Inform an adult if it is an emergency. Counselors will always try to see students in a timely manner. However, students should not be in the office to see a counselor without permission and/or a hall pass from a teacher or another school official.

### **SCHEDULE CHANGE REQUESTS**

Any parent inquiring about a schedule change will complete a schedule change request and take the following steps:

1. Parent will schedule a date/time to observe the class
2. Parent and teacher will have a follow-up meeting to discuss the observation and any further concerns
3. After a month, if necessary, another parent teacher conference, including the counselor and an administrator, will be held to determine whether or not a change will be made.

## **HOMEWORK POLICIES & RESPONSIBILITIES**

Teachers will provide the expectations, discipline, and homework procedures for the year. Homework is given with the expectation that it will enhance classroom learning and provide students with reinforcement of concepts learned in class. Students are also expected to study (review class notes and study guides) every day.

The homework policy is designed to make students more responsible for improving their work and study habits.

- No more than 25 minutes a day of homework may be assigned in each academic subject: Science, Math, Soc. Studies, and English. Other subjects such as Band, P.E., etc., may require homework/practice as well.
- Students are expected to turn in homework as required by each teacher. All late papers or projects turned in during the period may receive a penalty as per teacher discretion.
- Ample notice is given for long range assignments: Projects, notebooks, book reports, science projects, etc. Due-date extensions are given at the discretion of each teacher.
- Students returning from an absence are responsible for getting any missed work from his/her teachers. The student must return the assignments within the allotted time to the teacher to receive full credit.

## **REPORT CARDS**

Students will receive a report card at the end of each quarter, digitally, via ParentVUE. Teachers will also issue Poor Progress reports midway through each quarter. Students will earn grades of A, B, C, D, or F. These grades reflect mastery of the California State Standards in each content area. Parents are encouraged to review grades with their student and contact teachers for any additional information on how to assist their student in becoming proficient. Report cards are digitally posted on ParentVUE and StudentVUE after the grading period has ended. Poor Progress notices will also be posted on ParentVUE mid-quarter or when a student is in danger of failing. Parents may contact the teacher if a poor progress notice is received for their child to set up a Parent-Teacher Conference.

## **RETENTION POLICY**

The Board of Education of the RUSD has adopted grade level standards in Reading/Language Arts (English) and Mathematics for all middle school students (grades 6-8). Each quarter parents of students who are not acquiring proficiency in these grade level standards are notified. In addition, the Board has approved a Promotion/Retention policy requiring students in grade 8 (or sooner) to be retained if proficiency is not attained in these designated areas. If your student has earned a 'D' or an 'F' in their classes, he/she has not acquired proficiency of grade level standards. These students may be in danger of retention. Parents are important partners in the educational process, and your active participation is necessary to help raise your child's achievement. *If a student is identified as performing below the minimum standard for promotion to the next grade level based on the indicators specified in Board policy the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement.* (Education Code 48070.5)

### **EMERGENCY DRILLS**

Emergency drills are required by law and are an important safety precaution. When the first signal is given, evacuate as quickly as possible to the assembly area by the prescribed route. Your teacher will give you all the necessary information. Students must follow their teacher's directive immediately and be respectful to the classroom drill environment.

### **FIRE DRILLS**

When there is a Fire Drill, your teacher will escort your class to an assigned area. Once outside the room, students will form one single file line and walk quietly and orderly to the assigned area. (See Disaster Drill Map for class locations during disaster drills pg 56.) It is necessary to remain quiet in order to receive directions from your teacher, assistant principal, or principal. You must wait to be released before returning to your class.

### **EARTHQUAKE PREPAREDNESS DRILL**

There are two parts to the Earthquake Preparedness Drill:

1. **DUCK, HOLD AND COVER** - To avoid flying glass, falling books, and other debris. Position yourself under a desk as best you can, and cover your head with your hands cupped.
2. **EVACUATION** - Evacuate all rooms and gather at pre-planned areas on our football field (shown on the campus disaster map).

## **INTRUDER ON CAMPUS DRILL**

Students, please watch for individuals on campus who you feel do not belong. Notify a staff member immediately if you see someone without a visitor's pass. Safety officers and/or an administrator will be sent to the location.

In the event of a lockdown announcement, teachers will lock their doors and turn off lights. Students should duck, cover, and remain quiet. If you are outside (in the quad or P.E. areas), immediately move to the nearest available room. Students in the quad should move to the multipurpose room. An administrator will come on the intercom to announce when the incident is over. Please remain in your classrooms unless otherwise directed.

**In order to hear important directions and to ensure your safety, you must remain QUIET during the drill.**

## **GIVING FALSE FIRE ALARM**

Any person who sounds a false fire alarm "is guilty of a misdemeanor and upon conviction is punishable by imprisonment in a county jail, not exceeding one year, or by a fine not exceeding one thousand dollars (\$1,000), or both that fine and imprisonment". P.C. 148.4

Any student, who pulls a fire alarm station, sounding a false alarm, will be suspended and may be recommended for expulsion and reported to the police for prosecution.

In the event of an emergency, students may be picked up by adults listed on the emergency cards only with valid ID.

## **STUDENT-PARENTAL REUNIFICATION PLAN**

The following information is for parents or persons picking up students within the Rialto Unified School District system following a Natural Disaster or Man-Made Event:

- If there is an incident at your child's school site, do not respond to the school for parental reunification unless contacted by the school, the school district, or alerted by a news or radio broadcast, Parent Square message, Ready SB County App., etc. Excessive calling to the District Office or school site can overload or delay needed communications.
- If notified of a student/parental reunification, calmly respond to the school to pick up your child or children. If driving, do not park your car in a manner that would block traffic or emergency vehicles ingress or egress.
- Look for signage indicating the "Student-Parent Reunification Area". You must check in with school staff prior to picking up the child. Please bring photo identification with you.
- Students will not be released to unauthorized persons, so please make sure all school records are up to date.
- After checking with school staff, please respond to the release point to pick up your child. A runner will retrieve your child from the Student Staging Area and accompany them to the release point.
- This could be a time-consuming process due to crowding, so please be prepared for a possible delay in picking up your child. If you are waiting and have not been notified of a problem by school officials, rest assured that your child is well and awaiting reunification in the Student Staging Area.
- After picking up your child, please leave the school site. You will be advised at a later time when the school will reopen.
- Students who can't be picked up in a timely manner will be transported to a centralized location in the district to await reunification in order to ensure their safety. The location of the centralized holding area will be displayed at the school site and all efforts will be made to contact the parents of the children to advise them where to go for reunification.

## **SCHOOL EXPECTATIONS**

At Jehue Middle School, we believe that students have the right to learn and teachers have the right to teach. To maintain this environment, we have established expectations that will be enforced on campus and in every classroom. These expectations are designed to help you succeed in school. All students are expected to adhere to these school expectations and guidelines.

### **ATTENDANCE/ABSENCES**

The California State Education Code requires school attendance for minors. Regular attendance and prompt arrival to class facilitates learning. Truancy is a violation of California's compulsory attendance laws which will be dealt with harshly. If a student is absent, parents **MUST** notify the school on the first day of the absence. Parents may call the Attendance Office at 421-7377 ext. 21108 or 21107 from 7:00 a.m. to 3:30 p.m. If parents are unable to call the school about an absence, the student **MUST** return with a written note from the parent or guardian. Any absence without a valid excuse will be recorded as truancy. If the school is not notified of excused absences, the parent or guardian will be notified.

### **SATURDAY TUTORIAL ENRICHMENT PREPARATION UPWARD PROGRAM (STEP-UP)**

The STEP-UP provides an opportunity for your child to receive extended educational support and enrichment through Saturday sessions from 8:00 a.m. to 12:00 p.m. The STEP-UP is designed for students wishing to recover absences. Lunch is offered to students attending STEP-UP, if prior arrangements are made. It is a great opportunity to enjoy enrichment activities while developing skills in mathematics and language arts. Remember, attendance and learning are related. Please check with the attendance office to see when you can take advantage of this program.

### **TARDY POLICY**

Each student is expected to be in class before the tardy bell rings. The five-minute passing period between classes is to be used for going from one class to another. Tardies disrupt class proceedings; distract other students from their learning tasks, and impede the student learning. In order to eliminate, or at least minimize, these unproductive situations, parent cooperation is needed. If students have a note from their parent stating they had a medical or dental appointment, the tardy will be excused. Students must bring a note clearing the tardy within 24 hours. If it is not cleared, the student may receive consequences as outlined in the Tardy Policy. Tardies are cumulative for each semester.

**Period Tardies:** Discipline will be handled by the individual teachers according to their classroom policies. Students who accumulate tardies will be assigned consequences according to the following guidelines:

- 1<sup>st</sup> tardy – Warning
- 2<sup>nd</sup> tardy – Phone Call Home
- 3<sup>rd</sup> tardy – Lunch Detention
- 4<sup>th</sup> tardy – Monday program
- 5<sup>th</sup> tardy – Wednesday Program
- 6<sup>th</sup> tardy – Saturday School

### **Tardy Sweeps:**

Tardy sweeps are conducted daily during every period, from Period 1 through Period 6. Students who are habitually tardy will receive appropriate consequences, which may include, but are not limited to: detention, parent contact or conference, loss of privileges, behavior contracts, referral to administration, and eventual referral to the SART and SASP and placed on an attendance contract. A Student Study Team (SST/ITM) meeting report may also refer a student to administration or Child Welfare and Attendance for further intervention.

NOTE: Tardy counting will start over at the quarter break, except for students who are engaged in the SASP process.

### **TRUANCY**

A student is considered truant when unaccounted for by a teacher for more than 30 minutes. In addition, when a student arrives more than 10 minutes late to class, the teacher will mark the student tardy and also notify the attendance office and it will be noted on the student's attendance record.

NOTE: Truancy is a crime. The Rialto City Council passed a Truancy Prevention Ordinance (1230) which became effective Sept. 1, 1995. This ordinance prohibits any minor to loiter, idle, wander, stroll, or play in or upon public streets, highways, roads, alleys, parks, playgrounds, parking areas, or other public grounds, public places, places of amusement and eating places, vacant lots or other unsupervised places, or any place open to the public between the hours of 8:30 a.m. and 2:30 p.m. of the days when said minor's school is in session. The Rialto Police Dept. is enforcing this ordinance. Students in violation of this ordinance will be cited and subject to a fine not to exceed \$250 and/or be required to perform community service. It is unlawful for the parent, guardian, or other adult person having the care and custody of a minor to permit the student to violate the above ordinance. Parents, guardians, or other adult persons having the care and custody of a minor found in violation of this ordinance will be subject to a fine not to exceed \$1,000 and/or be required to perform community service.

### **SCHOOL ATTENDANCE REVIEW TEAM (SART)**

When students have excessive absences and/or tardies, or have been truant, they are subject to a SART referral prior to going to SASP. Parents are required by law to have their children in school on time. The SART panel will discuss interventions and establish an attendance contract to assist the improving of the student's absenteeism. If conditions fail to be met, a recommendation will be made to the School Attendance Support Panel. (SASP)

### **SCHOOL ATTENDANCE SUPPORT PANEL (SASP)**

When students have excessive absences and/or tardies or have been truant, they are subject to a SASP referral. Parents are required to have their children in school by law. Parents and students may be required to appear before a panel composed of Child Welfare and Attendance, the District Attorney and other community members. Parents/students may be cited and held financially liable. Other consequences may be imposed. The SASP panel will determine the consequences of poor attendance.

### **INAPPROPRIATE DISPLAYS OF AFFECTION**

Inappropriate displays of affection by students (kissing, holding hands, hugging, etc.) are strictly prohibited. Students will be assigned consequences if any such behavior is observed, and parent will be contacted.

### **DRESS AND GROOMING (POLICY 5132)**

The Board of Education believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to wear clothing that is suitable for the school activities in which they participate. (cf. 0410 – Nondiscrimination in District Programs and Activities)  
(cf. 0415 – Equity)  
(cf. 5145.2 – Freedom of Speech/Expression)

(cf. 4131 – Staff Development)  
(cf. 4231 – Staff Development)  
(cf. 4331 – Staff Development)

When practical, students shall not be directed to correct a dress code violation during instructional time or in front of other students.

Repeated violations or refusal to comply with the district’s dress code may result in disciplinary action.

(cf. 5144 - Discipline)

#### Gang-Related Apparel

The principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the Board, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school environment. The dress code policy may be included in the school’s comprehensive safety plan. (Education Code 35183)

(cf. 0450 - Comprehensive Safety Plan)  
(cf. 5136 - Gangs)

When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics.

#### Uniforms

The Board may approve a school-initiated dress code requiring students at the school to wear a school uniform whenever the Board determines that such a dress code will promote student achievement, a positive school climate, and/or student safety. (Board Policy Manual Rialto Unified School District)

The Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against, or denied attendance to school if their parents/guardians so decide. (Education Code 35183)

The Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms. (Education Code 35183)

The mission of the Rialto Unified School District (RUSD), the bridge that connects students to their future aspirations, is to ensure each student achieves person and career fulfillment within a global society. RUSD believes that high student expectations and a safe and engaging learning environment prepares students for academic success and their future. ## “Big Three”

- **Clothing must cover/conceal undergarments**

## **WHAT IS PBIS?**

Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral support and social culture needed for all students in a school to achieve social, emotional and academic success. ***For more information about PBIS at Jehue refer to pages 55-64.***

## **SCHOOL-WIDE EXPECTATIONS**

- *BE RESPECTFUL*
- *BE RESPONSIBLE*
- *BE SAFE*

## **PBIS EXPECTATION MATRIX**

Jehue has created an expectation matrix for students, staff and families to be aware of the behavior expectations while on the Jehue campus. These expectations define what it looks like to be respectful, responsible and safe in the identified areas on campus. The Matrix signs are posted in the area they are referring to for visual reference. A complete matrix for Jehue PBIS expectations in all areas can be located on page 47.

## **IMPLEMENTATION**

To implement PBIS strategies throughout Jehue Middle School we conduct a school-wide roll out, hold Expectation Assemblies each semester, conduct monthly “Booster Meetings” for staff, and have Expectation Matrices posted in every classroom and at strategic areas across the campus. Within the classroom setting, student expectations are reviewed frequently to foster a socially responsible school climate. Teachers acknowledge positive behaviors rather than focusing on negative conduct which often results in disrupting student learning. Cooperation from students, staff, as well as community members in a collaborative setting is encouraged to ensure the success of PBIS.

## **REWARDS**

Rewards are utilized to recognize positive choices and behaviors between students. Some of these rewards include:

- PAW Events
- Perfect Attendance
- Student of the Month
- Jaguar Jem Points
- Front of the Lunch Line Passes

## **STUDENT EXPECTATIONS**

Students are expected to abide by the school-wide behavior expectations of being respectful, responsible, and safe. When students do not conduct themselves in this manner, there are a variety of interventions and supports that will be utilized, ultimately resulting in consequences if students do not change their behavior choices. At Jehue we use a model of progressive discipline ranging from counseling to eventually suspensions/expulsions, depending on the severity and frequency of the Ed Code violations. Each situation is reviewed on an individual/case-by-case basis.

Resources available for students include, but are not limited to:

- Jehue referrals:
  - Academic Tutoring
  - Anger management/Decision making counseling
  - Boys or Girls Circles
  - Drug and alcohol counseling
  - Graffiti counseling
  - Weapons Diversion
- Requests for Assistance (RFAs) from Therapeutic Behavioral Strategists and/or Emotional Health Therapists

These resources are intended to provide a range of counseling, mentoring, and therapeutic services for students who demonstrate a pattern of behavior that can be destructive, to self or others, as well as those who are experiencing a range of traumas that interfere with their educational experience. They are intended to equip students with the necessary tools and skills to make better choices and find the support needed to experience academic and social-emotional success in school.

## **DEALING WITH STUDENT CONFLICTS**

- Do not spread rumors. Quite often conflicts between students begin because of rumors. Do not be a participant in rumor spreading.
- Do not participate in hateful language, including, but not limited to: race, gender, gender identity, ethnicity, religion, etc. Regardless of intention, this speech will not be tolerated on campus.
- If a conflict should arise between you and another student(s), **seek** the **assistance** of an adult school official. Your teachers, counselors, security officers, administrators, and other staff members can assist you in finding a solution to the conflict.
- Be ready to talk, listen, and compromise.

## **REPORTING INCIDENTS**

- See a Campus Security Officer, Counselor, or the Assistant Principals, or go to the Student Expectation Center (SEC) to make an official report of an incident. Incident Report forms are located in the Student Expectation Center.

## **WAYS TO AVOID A FIGHT**

It takes two to fight. Most students are able to make correct choices in order to avoid getting into a fight. For those who have trouble making the right decision, here are some ideas:

- If someone says he/she wants to fight you, "**walk away**" and report this to your teacher, counselor, security, or an administrator.
- If you do not report a problem, then you are indicating that you have decided to handle the situation yourself, and therefore you must accept the consequences of your actions.
- If someone says, someone else wants to fight you ("he said ... she said"), **report the person who told you** to your teacher, counselor, security, or an administrator.

- If you are having a problem with another student that you think might lead to a fight, report it to your teacher, counselor, security, or administrator.

### **DEALING WITH TEACHER/STAFF CONFLICTS**

When disagreeing with a person of authority (teacher/other staff member), as a student, you need to remain calm and in control when discussing issues. You have certain *rights* to remember.

Carefully read them:

1. **You have the right to politely ask to speak to your teacher after class to discuss a problem or to obtain clarification on an issue. Class time is not the time to discuss the incident.**
2. If you are not satisfied with the results, see one of the Assistant Principals, or a Counselor for assistance. Administrators and Counselors are here to help you. Please use their services.
3. You have the right to ask your parent/guardian to set-up a parent/teacher conference to discuss your concerns.

See the Principal if you feel that steps 1-3 did not meet your needs.

### **NOTIFICATION OF ASSIGNED CONSEQUENCES**

Teachers and/or administrators will make a good-faith effort to contact parents during school hours via a phone call or written notice regarding consequences that are assigned to their student(s) during after-school hours. Students are also expected to inform their parents/guardians of any consequences assigned to them as a result of their poor behavior choices.

### **STUDENT CONSEQUENCE PROTOCOL**

Failure to serve consequences may result in more progressive discipline and placement on the school flag list prohibiting them from participating in any school activities and events.

- **MONDAY PROGRAM:** Students who are assigned to Monday Program must report immediately to a designated room by 2:48 p.m. They will remain in detention until 3:30 p.m.
- **WEDNESDAY PROGRAM:** Students who are assigned to Wednesday Program must report immediately to a designated room at 12:35 p.m. (the end of the minimum day). They will remain in detention until 2:35 p.m.
- **HOME SUSPENSION:** A student who has been suspended from school is not permitted to be on any Rialto Unified School District campus during the period of suspension. No classes or activities may be attended during the period of the suspension. Students will be provided with the assignments while on the suspension for three days or more.
- **PARENT VISIT/SHADOW:** The administration may offer parent(s) the opportunity to come to school to visit or shadow his or her child. Parent(s) must check in with the Front Office to pre-schedule an observation date and be prepared to show proper identification.
- **EXPULSION:** Expulsion means that a student is permanently removed from the Rialto Unified School District by the Board of Education, for a specified period of time. The District will provide parents and students with copies of their rights and provide due process prior to expulsion.

### **STUDENT DISCIPLINE/SUSPENSION**

In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. ### **Terroristic Threat EDC 48900.7**

(a) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in

### **Recommendation for Expulsion: Education Code 48915**

#### **SEARCHES**

Searches may be conducted when there is a reasonable suspicion that a student is in possession of items that are illegal and/or prohibited on campus. Education Code allows for students to be searched without the presence and permission of the parent/guardian. Areas that may be searched include, but are not limited to PE lockers, desks, purses, backpacks, pockets, shoes, and socks. General search may be conducted in emergency situations. In order to

provide a safe and secure learning environment, the RUSD Board of Education has implemented a Random Search Program. The program is conducted on a random, “no-notice” basis at all secondary schools. A team of School Safety Officers (both male and female), along with a school administrator conduct the searches (See page 40). The Random Search Program will continue at all secondary schools. The procedure involves our trained campus security officers and an administrator to search students on a “no notice” basis. Specific detail as to actual search procedures will be thoroughly explained to each student.

### **SAFETY MEASURES**

The Rialto Unified School District, the Rialto Police Dept., The Colton Police Department, and the San Bernardino Police Dept. are committed to a safe environment for all students and staff. District policy continues to require all schools and personnel to promote among students and staff mutual respect, tolerance, and acceptance. The California Department of Education (CDE) has developed and made available to school districts a policy model on the prevention of bullying and on conflict resolution. These policies are developed for the purpose of incorporating them into a district wide school safety plan. The following documents are a sample policy for Bullying Prevention & Conflict Resolution, and Student Code of Conduct for Rialto Unified School District.

### **Rialto Unified School District**

#### **Bullying (Cyberbullying) Prevention (Policy model)**

*(Ed. Code 48900(a),(k),(o),(r),(s))*

The Rialto Unified School District believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

The Rialto Unified School District will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate or harass another through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The Rialto Unified School District expects students and/or staff to immediately report incidents of bullying to the principal or designee. The staff is expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses the Rialto Unified School District will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

### **DEFINITION OF HARASSMENT, BULLYING, AND CYBERBULLYING**

Harassment or bullying of students or staff is an extremely serious violation of the *Student Code of Conduct*. It can also be a violation of criminal law. The District will not tolerate unlawful bullying and harassment on school grounds, or when traveling to and from school or a school sponsored activity, and during lunch period, whether on or off campus, or sending insulting or threatening messages by phone, e-mail, websites, or any other electronic or written communication. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated pursuant to this policy.

**"Harassment"** means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or employee that:

- Places a student or employee in reasonable fear of harm to his or her person or damage to his or her property
- Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits
- Has the effect of substantially disrupting the orderly operation of school

**"Bullying,"** means *systematically* and *chronically* inflicting physical hurt or psychological distress on one or more students or school employees. It is unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; is carried out repeatedly and is often characterized by an imbalance of power; or unreasonable interference with the individual's school performance or participation; and may involve but is not limited to:

- Destruction of Property
- Intimidation
- Physical Violence
- Public Humiliation
- Sexual, Religious, or Racial/Ethnic Harassment
- Social Exclusion
- Stalking
- Theft
- Threat
- Unwanted Teasing or Taunting (Verbal/Non-Verbal)

**"Cyberbullying,"** sometimes referred to as internet bullying or electronic bullying, is defined as the "willful and repeated harm inflicted through the medium of electronic text". It may involve:

- Sending mean, vulgar or threatening messages or images;
- Posting sensitive, private information about another person;
- Pretending to be someone else in order to make that person look bad; and
- Intentionally excluding someone from an online group.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. ( *Ed. Code 32261 Legislative findings, declarations, and intent; Ed. Code 48900, 48900.2, 48900.3, 48900.4, 48915(a) and 48915(c)*).

Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

**The Student Code of Conduct includes, but is not limited to:**

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.
- Students are to resolve their disputes without resorting to violence.
- Students, especially those trained in conflict and peer mediation, are encouraged to help fellow students resolve problems peaceably.
- Students can rely on staff trained in conflict resolution and peer strategies to intervene in any dispute likely to result in violence.
- Students needing help in resolving a disagreement, or students observing conflict may contact an adult or peer mediators (*give location where listing of designated staff and students is posted*)
- Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussion confidential.
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

**The procedures for intervening in bullying include, but are not limited to:**

- District-wide training provided for students, staff, parents, and concerned community members about bullying awareness and prevention strategies.
- All staff, students and their parents will receive a summary of this policy prohibiting bullying; at the beginning of the school year, as part of the student handbook and/or information packet, as part of new student orientation, and as part of the school system's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of investigation confidential.
- Staff are expected to immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

**Conflict Resolution**

The Rialto Unified School District believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, each school within the Rialto Unified School District will incorporate conflict resolution education and problem solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment.

The Rialto Unified School District will provide training to provide the knowledge, attitudes, and skill students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and inter-group conflict. Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

**SEXUAL HARASSMENT POLICY**

The District recognizes that harassment on the basis of sex is a violation of law and is a form of gender discrimination. Students and employees have the right to work and study in an environment that is equitable to all and free of sexual harassment. (Policy Code JGEB, ACAB)

### Procedure for Random Searches & Use of Metal Detectors

"The Board believes that the presence of weapons in the schools threatens the District's ability to provide the safe and orderly learning environment to which District students and staff are entitled. The Board also believes that metal detector searches offer a reasonable means to keep weapons out of the schools and mitigate the fears of students and staff". (BP 5145.12)

The school Site Administrator assisted by Campus Safety Officers shall ensure that the following safeguards are followed when conducting random searches using metal detectors:

- ☐ The security team will enter the classroom, first make contact with the teacher, then give a prepared announcement and basic instructions to students before conducting the random search procedures.
- ☐ Each student will walk past the random selection device. A light will flash "red" for search or "green" for no search.
- ☐ Students selected for scanning will be asked to empty their pockets and belongings of any metallic objects, and place items in a container provided. The container with items will be placed on a table in plain view of the student and officer.
- ☐ Next, the student (including their backpacks, purses, etc.) will be scanned with a hand held metal detector (wand).
- ☐ If there is no activation of the metal detector when the student is scanned, then he/she will not be searched.
- ☐ However, if an initial metal detector or wand activation occurs, students shall be asked to remove other metallic objects that they may be wearing (e.g., belt and jewelry). Student(s) will then be scanned a second time.
- ☐ If a second activation occurs, a metal detector or wand shall be used for a third time.
- ☐ If the activation is not eliminated or explained by the student, then an officer shall escort the student to a private area where an expanded search shall be conducted by a staff member of the same gender as the student in the presence of another District employee. (EC 49050 Article 8. Searches by School employees)
- ☐ The search shall be limited to the detection of the cause of the activation

### **Use of Contraband Detection Dogs**

“In an effort to keep the schools free of dangerous contraband, the District may use specially trained, non-aggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district sponsored events. Dogs shall not sniff within the close proximity of students or other persons, and may not sniff any personal items on those persons without their consent” (BP 51145.11)

## What is PBIS?

Positive Behavior Interventions & Supports is a proactive approach to establishing the behavioral supports and social culture needed for all students on a school site to achieve social, emotional, and academic success. PBIS is a framework implemented by explicitly teaching expected behaviors, acknowledging appropriate behaviors, and re-teaching when behavioral errors are made. There are 3 tiers or levels of intervention and support. Currently Jehue Middle School is fully operating at Tier I, Tier II, & Tier III.

### Three-Tiered Model of Positive Behavioral Interventions and Support

## PBIS at JMS

We have three school-wide expectations - **Be Respectful, Be Responsible, and Be Safe**. Students are explicitly taught our expectations during our School-Wide Roll Out the first week of school, within the context of classroom expectations and throughout the year through our SEL/Character Development Lessons. We use our Jaguar Jems or electronic points as a Tier 1 support; **ALL** students, regardless of what tier they may fall in (whether Tier I, Tier II, or Tier III) are able to receive Jaguar Jems/electronic points for demonstrating the expected behavior. For redemption purposes, **ALL** Jems must have the deserving behavior marked and initiated/signed by staff.

The Jehue P.A.W. (Positive Attitude Winner) Award is open to **ALL** students at Jehue, regardless of what Tier (I, II, or III) they may be in. To qualify for the award, students must have a 2.5 G.P.A or higher, perfect attendance, no D's or F's, and no behavioral problems in that qualifying quarter. The P.A.W. Award is given out once a quarter and is commemorated with outdoor activities for the 2nd & 4th Quarter recipients.

## Tardy Free Quarterly Acknowledgement

Each quarter we have tardy-free acknowledgements. Acknowledgements can be awarded through certification, plaque, trophy, drawing, or shout outs to qualified winners during announcements. To qualify, students need to be tardy free in their **1st through 6th period classes** that entire quarter.

## Diamond Level Tardy Free Acknowledgement

Every 2nd and 4th Quarter we have our Extreme Tardy Free Acknowledgment. Acknowledgements can be awarded by the above methods and with high ticket items like Nintendo Switches, Mini Instax Cameras, movie tickets, tablets, etc. (dependent on availability at the time). To qualify, students need to be tardy free starting in **Homerom through 6th period** for that entire quarter.

## Positive Behavioral Interventions and Supports at Jehue Middle School

PBIS is designed to help create an environment to prevent the development and occurrence of problem behaviors and, more importantly, to teach and encourage prosocial skills and behaviors to students. The staff at Jehue Middle School understands the need for a safe and positive learning environment. At Jehue Middle School, student expectations for behavior are categorized under our three school expectations: **Be Respectful, Be Responsible, and Be Safe**. Our students are given explicit instruction and lessons on how to follow school expectations in order to help them practice the skills necessary to be successful students and citizens at Jehue Middle School.

When students violate community norms, we implement restorative practices & reteach school wide expectations to help restore them to the community. The attached Student Behavior Management Process and Discipline Referral Levels chart help provide a picture of our discipline program.

## Check In Check Out (CICO)

The goal here at Jehue Middle School is to create an inclusive and welcoming environment which values and recognizes the worth of each student on our campus. To reach this goal we provide additional support for students who may need it.

### Check in/Check Out (CICO)

#### The CICO process is as follows:

1. Student checks in with an assigned CICO Coach/Mentor each morning with CICO form, and has a positive pep talk
2. Student takes the CICO form to each classroom teacher to report whether or not the student is meeting expectations throughout the school day
3. Student checks out with the same assigned CICO Coach/Mentor each afternoon
4. Student brings home the CICO card home every afternoon to be reviewed by parent/guardian, then returned to CICO Coach/Mentor in the morning
5. The classroom teacher or parent/guardian may make comments or communicate on the CICO form as needed, but it is not required

***Mobile Communication Device Contract***

**Middle School**

The District recognizes that the use of cell phones and other mobile communication devices on school grounds may be beneficial to student learning and well-being. The District also recognizes that many students struggle to exercise sound judgment related to the use of cellphones and social media, which often leads to students neglecting their studies and participating in inappropriate behaviors that include classroom disruptions, bullying, recording and promoting fights, and participation in senseless challenges on social media platforms.

District schools do provide access to computers and the internet during the school day. Students who need to call their parents during the school day should do so using a District phone or using a personal device consistent with District Mobile Communication Device Policy 5131.8.

**District Mobile Communication Device Policy 5131.8 is as follows:**

**Middle School (6-8)**

Students may use mobile communication devices (e.g., cellphones and smart watches) before school begins and after the school day ends. Devices shall be turned off and not be visible (stored in the student's backpack) during the school day, which includes passing period, recess, and lunch.

When students choose not to honor the above policy, the following actions, in no particular order, will be taken to help them develop personal responsibility:

- Counseling on proper use of mobile communication devices and social media
- Reminder of Mobile Communication Device Policy 5131.8
- Confiscation of mobile device (to be retrieved by parent or legal guardian only)
- Loss of privileges to participate in extra-curricular activities
- Possible suspension from school (last resort)

***Mobile communication devices brought to school by students will be the responsibility of each student. District staff will not assume responsibility for damaged, lost, or stolen devices while in the possession of the student.***

**TO:** Parents and Guardians of Students in the Rialto Unified School District  
**FROM:** Lead Agent, Expanded Learning Programs & Safety Innovation Norberto Perez  
**DATE:** July 1, 2024  
**SUBJECT: CALIFORNIA LAW REGARDING SAFE STORAGE OF FIREARMS**

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the Rialto Unified School District of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; **or** (3) unlawfully brandishes the firearm to others.<sup>[1]</sup>

- **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.

- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.<sup>[2]</sup>

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.<sup>[3]</sup>
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.<sup>[4]</sup>

**Note:** Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

**Norberto Perez**

**PARA:** Padres y Tutores Legales de los Estudiantes en el Distrito Escolar Rialto  
**DE:** Norberto Perez, Lead Agent, Expanded Learning Programs & Safety Innovation  
**FECHA:** July 1, 2024  
**TEMA:** **Ley de California con Respecto al Almacenamiento Seguro de Armas de Fuego**

---

El propósito de esta notificación es informarles y recordarles a los padres y los tutores legales de todos los estudiantes en el Distrito Escolar Rialto de sus responsabilidades de mantener las armas fuera del alcance de los niños, según se requiere la ley de California. Ha habido muchos reportajes de niños que llevan armas de fuego a la escuela. En muchos casos el niño obtuvo el arma/las armas de fuego de su hogar. Estos incidentes se pueden prevenir fácilmente por guardar las armas de fuego en una manera segura, incluyendo manteniéndose bajo llave cuando no se usan y con municiones almacenadas por separado.

Para que todos entiendan sus responsabilidades legales, esta notificación detalla la ley de California con respecto al almacenamiento de armas de fuego. Por favor tome el tiempo necesario para revisar esta notificación y evalúe sus propias prácticas personales para asegurar que ustedes y su familia cumplan con la ley de California.

- Con muy pocas excepciones, en California una persona es penalmente responsable por guardar cualquier arma de fuego, cargada o no cargada, dentro de cualquier sitio bajo su custodia y control donde esa persona sabe o razonablemente debe saber que es probable que un niño logre acceder el arma de fuego sin permiso del padre de familia o del tutor legal, y el niño logra acceder el arma de fuego y por lo tanto (1) causa la muerte o lesiones al niño o a cualquier otra persona; (2) se lleva el arma de fuego fuera de los locales o a un lugar público, incluyendo a cualquier escuela preescolar o escuela K-12 o a cualquier otro evento, actividad, o espectáculo patrocinado por la escuela; o (3) blande ilícitamente el arma de fuego delante de otras personas.<sup>1</sup>
  - Nota: La sanción penal podría ser mucho mayor si alguien muere o sufre una gran lesión corporal como resultado de que el niño lograra acceso al arma de fuego

- Con muy pocas excepciones, en California también es un delito almacenar o dejar negligentemente, cargada o no, cualquier arma de fuego, en sus locales en un sitio donde una persona sabe o razonablemente debe saber que es probable que un niño logre acceso al arma sin permiso del padre de familia o del tutor legal, a menos que tome acción razonable para asegurar que el arma de fuego no sea accesible al niño, aun cuando un menor de edad efectivamente no acceda **nunca** el arma de fuego.<sup>2</sup>

- Además de multas y plazos de encarcelamiento potenciales, desde el primero de enero de 2020, al dueño de un arma de fuego declarado responsable penalmente bajo estas leyes de California, se le puede prohibir poseer, controlar, ser dueño, recibir, o comprar un arma de fuego por 10 años.<sup>3</sup>

- Finalmente, un padre de familia o tutor legal también podría ser responsable civilmente por los daños y perjuicios resultantes de la descarga de un arma de fuego por el niño o el pupilo de esa persona.<sup>4</sup>

Nota: Su condado o su ciudad podría tener restricciones adicionales en cuanto al almacenamiento de armas de fuego.

Gracias por ayudar a mantener seguros a nuestros niños y nuestras escuelas. Recuerde que la manera más fácil y segura de cumplir con la ley es guardar las armas de fuego en un recipiente asegurado con llave o aseguradas con un mecanismo de seguridad que hace inservible el arma de fuego.

Atentamente,

**Norberto Perez**
