## Principal/Dean News

Hello Families:

As we head towards the end of October, we hope you are all enjoying the vibrant colors and cooler temperatures that define this season. It's a special time of year, and we are continually reminded of what a strong and vibrant school community we have here at Horizons.

Don't forget next week's activities include our Pumpkin Run, Boo Bash and Trunk or Treat. We look forward to seeing you all there.

As always, our doors are always open. Please reach out if you have any questions or concerns.

Mr. Ohlson, Principal  
Mr. Puls, Dean

## Noticias del director/decano

Hola familias:

A medida que nos acercamos al final de octubre, esperamos que todos estén disfrutando de los colores vibrantes y las temperaturas más frescas que definen esta temporada. Es una época especial del año, y continuamente recordamos la comunidad escolar fuerte y vibrante que tenemos aquí en Horizons.

No olviden que las actividades de la próxima semana incluyen nuestra Carrera de Calabazas, Fiesta de Boo y TRUNK OR TREAT. Esperamos verlos a todos ahí.

Como siempre, nuestras puertas están siempre abiertas. Comuníquese con nosotros si tienen alguna inquietud.

Sr. Ohlson, Director  
Sr. Puls, Decano

## Does Good Attendance Matter?

### Success Starts with Attendance

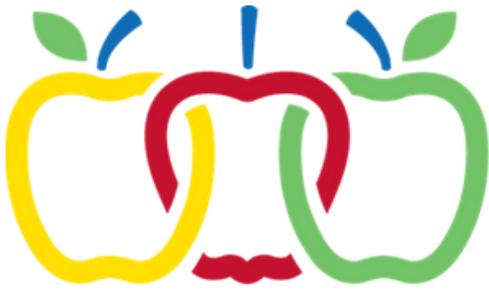

If a student misses 10 days per year for the lifetime of their school career, that adds up to 140 days... almost a full school year. Research and experience teach us that students with poor attendance are at greater risk for school difficulty. Making up missed schoolwork is very helpful, but missed classroom instruction cannot be made up.

We try to impress upon students that there is a difference between “not feeling well” and being truly sick. We all know there are times when we do not feel 100%, but still try to make it through the day. Students understand that parents do this in order to keep their jobs. This is a real “life skill” that employers look for when hiring. They want employees they can count on to come to work. For students, school is their job.\_\_\_\_\_

Common sense can guide parents in deciding when a child is sick enough to be at home. If you are uncertain about sending your child to school, please reference [Is Your Child Well Enough to Go to School](#) from our district website or please call us. Sometimes a second opinion can be of help! Not only is school attendance a legal requirement, it encourages behavior that will help your child be successful in life. So while the goal of “perfect attendance” may not be realistic for all, great school attendance is something to work towards!

Here are some helpful tips:

- Schedule appointments outside of school hours
- Request beginning or end of day appointments
- If appropriate, consider having child return for ½ day if feeling better.
- Ask your provider to write a letter for the time they missed from school

## SCHOOL DISTRICT

**HEALTH SERVICES \* P.O. Box 2019, Appleton, WI 54911 \* 920-852-5344**

### ¿Importa tener buena asistencia?

El éxito comienza con la asistencia

Si un(a) estudiante falta 10 días por año durante toda su carrera escolar, eso suma 140 días... casi un año escolar completo. Las investigaciones y la experiencia nos enseñan que los estudiantes con poca asistencia tienen un mayor riesgo de tener dificultades en la escuela. Recuperar el trabajo escolar perdido es muy útil, pero la enseñanza en el aula no se puede recuperar.

Tratamos de hacer comprender a los estudiantes que hay una diferencia entre “no sentirse bien” y estar realmente enfermo. Todos sabemos que hay momentos en los que no nos sentimos al 100%, pero aun así intentamos seguir con el día. Los estudiantes entienden que los padres hacen esto para conservar sus empleos. Esta es una verdadera “habilidad para la vida” que los empleadores buscan al contratar. Quieren empleados en quienes puedan confiar para que se presenten a trabajar. Para los estudiantes, la escuela es su trabajo.

El sentido común puede guiar a los padres para decidir cuándo un niño está lo suficientemente enfermo como para quedarse en casa. Si no está seguro de enviar a su hijo(a) a la escuela, consulte ¿Está su hijo(a) lo suficientemente bien para ir a la escuela? en nuestro sitio web del distrito o llámenos. ¡A veces una segunda opinión puede ser de ayuda! La asistencia escolar no solo es un requisito legal, sino que fomenta comportamientos que ayudarán a su hijo(a) a tener éxito en la vida. Así que, aunque la meta de “asistencia perfecta” tal vez no sea realista para todos, ¡una excelente asistencia escolar es algo por lo que vale la pena esforzarse!

Aquí hay algunos consejos útiles:

- Programe citas fuera del horario escolar
- Pida citas al inicio o al final del día
- Si es apropiado, considere que su hijo(a) regrese por ½ día si se siente mejor
- Pida a su proveedor médico que escriba una nota por el tiempo que su hijo(a) estuvo ausente de la escuela

Dear Families,

As we prepare to begin the new school year, the Appleton Parking Utility would like to emphasize the importance of following the legal parking practices during student drop-off and pick-up times. All our zones are marked as one of the following: loading zones, no-parking areas, and parking areas.

**Loading Zones:** The adult **MUST** stay in the car. This is for active loading/unloading only. This is for kindergarten drop-off and pick-up. We have adults outside who will help your child get into the car. Parking and leaving your car in a Loading/Unloading zone will result in a ticket.

**No Parking Areas:** There is **NO** parking at any time in this zone. Please pay close attention to the crosswalks. You cannot have your car parked on a crosswalk, even if you are inside of the car. There is no waiting, loading, or unloading in a No Parking area.

## Parking

We have lots of street parking along Woodlands Park. School staff monitor this area after school. Families can park and meet their child on the playground, or students can walk along the sidewalk until they spot their child.

Additionally, the information available on the Appleton Area School District (AASD) website is well-organized, appreciated, and serves as a valuable resource for families:

<https://www.aasd.k12.wi.us/families/family-resources/school-safety-preparedness/traffic-parking-around-our-schools>

Thank you for your continued support in creating a safe and orderly environment for all.

Queridas familias,

Al prepararnos para el inicio del nuevo año escolar, el Servicio de Estacionamiento de Appleton desea enfatizar la importancia de seguir las normas legales de estacionamiento durante la entrada y salida de estudiantes. Todas nuestras zonas están marcadas como: zonas de carga, zonas de no estacionamiento y zonas de estacionamiento.

**Zonas de carga y descarga:** El adulto DEBE permanecer en el coche. Esto es solo para subir y bajar del coche. Es para dejar y recoger a los niños del kínder. Hay adultos afuera que ayudarán a su hijo a subir al coche. Estacionar y dejar el coche en una zona de carga y descarga resultará en una multa.

**Zonas de Prohibido Estacionar:** No se permite estacionar en ningún momento en esta zona. Preste mucha atención a los cruces peatonales. No puede estacionar su auto en un cruce peatonal, ni siquiera dentro del vehículo. No se permite esperar, subir ni bajar pasajeros en una zona de Prohibido Estacionar.

### Estacionamiento

Disponemos de amplio estacionamiento en la calle a lo largo de Woodlands Park. El personal escolar supervisa esta área después de clases. Las familias pueden estacionar y esperar a sus hijos en el patio de recreo, o los estudiantes pueden caminar por la acera hasta encontrarlos.

Además, la información disponible en el sitio web del Distrito Escolar del Área de Appleton (AASD) está bien organizada, es muy apreciada y constituye un recurso valioso para las familias:

<https://www.aasd.k12.wi.us/families/family-resources/school-safety-preparedness/traffic-parking-around-our-schools>

Gracias por su continuo apoyo para crear un entorno seguro y ordenado para todos.

# Bright Smiles. Bright Futures.

*Empowering Youth Through Better Oral Health Care*

## FREE Quality Dental Care for Students

The **Robert Glass Focus on the Children** program at Tri-County Dental provides **FREE** dental care to **qualified students** right at their school through our mobile clinic.

## Set Your Child on the Path to Success

Regular dental care can help kids stay healthy, confident, and ready to learn. The Robert Glass Focus on the Children program provides the following care:

- **Hygiene Appointment** – Screening, cleaning, fluoride varnish, SDF, and sealants as needed
- **Dental Exam** – X-rays, fluoride varnish, and a professional exam
- **Restorative Care** – e.g. filling cavities (may be done at TCD clinic or mobile unit)

## How It Works

We partner with schools in **Appleton, Brillion, Neenah, Oshkosh,** and **Seymour** to bring **FREE** dental care to qualified students that have registered for the program.

If your child qualifies for the free or reduced lunch program and does not have private dental insurance or another dental home, they automatically qualify.

## Don't Let Their Smiles Fade and Register Today!

Complete the registration by scanning the QR code to register your student now or visit our website at [www.tricountydental.org](http://www.tricountydental.org).

## Questions/More info?

Contact Nkaoxue Summers, Tri-County Dental Outreach Care Coordinator at [nsummers@tricountydental.org](mailto:nsummers@tricountydental.org) or 920.882.5500 x 107.

9 Tri-Park Way | Appleton, WI 54914 | 920.882.5500

# Sonrisas Brillantes. Futuros Brillantes.

*Empoderando a la juventud a través de una  
mejor atención de salud bucal*

## Atención Dental GRATUITA y de Calidad para Estudiantes

El programa **Robert Glass Focus on the Children** de Tri-County Dental brinda atención dental **GRATUITA** a los estudiantes que califican, directamente en su escuela, a través de nuestra clínica móvil.

## Ponga a su hijo(a) en el camino hacia el éxito

La atención dental regular puede ayudar a los niños a mantenerse saludables, seguros de sí mismos y listos para aprender. El programa Robert Glass Focus on the Children ofrece la siguiente atención:

- **Cita de Higiene** – Evaluación, limpieza, barniz de flúor, fluoruro diaminado de plata (SDF) y selladores según sea necesario
- **Examen Dental** – Radiografías, barniz de flúor y un examen profesional
- **Cuidado Restaurativo** – por ejemplo, empastes de caries (pueden realizarse en la clínica de TCD o en la unidad móvil)

## Cómo Funciona

Nos asociamos con escuelas en **Appleton, Brillion, Neenah, Oshkosh** y **Seymour** para brindar atención dental **GRATUITA** a los estudiantes que califican y que se han inscrito en el programa.

Si su hijo(a) califica para el programa de almuerzo gratuito o reducido y no tiene seguro dental privado ni otro proveedor dental, califica automáticamente.

## ¡No deje que sus sonrisas se desvanezcan, inscribálos ahora!

Complete la inscripción escaneando el código QR para registrar a su estudiante hoy o visite nuestro sitio web en [www.tricountydental.org](http://www.tricountydental.org).

Every Day

**Project ADAM**  
SAVES LIVES

## Heart Safe School Designation Letter to School Community

Dear Community,

Horizons Elementary School is pleased to inform you that we have joined a community effort to implement a sustainable and comprehensive CPR and AED program. This decision is the result of our wish to make our buildings safe for our students, visitors and employees.

Sudden Cardiac Arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating, cutting off blood flow to the brain and other vital organs. SCA is fatal if not treated immediately. Having access to an AED as well as having a written plan and a team of CPR/AED-trained staff ready to act in an emergency can save the life of someone suffering a SCA during those critical first few minutes. Through our cooperative efforts with **Project ADAM** and **Children's Hospital of Wisconsin**, we have joined hundreds of schools throughout the state of Wisconsin and beyond in preparing our school for a life-threatening emergency. This program enables us to offer any person who may experience a Sudden Cardiac Arrest during regular school hours, the best chance for survival.

Horizons currently has an AED in the building. The AED is stored in a wall cabinet. When the cabinet door is opened, a loud alarm will sound. This alerts everyone that there is a potential emergency. Our school has a maintenance plan in place for the units. The AEDs are designed to work effectively unless they are tampered with. Additionally, the AED will not shock a person unless it detects a shockable rhythm (ventricular fibrillation).

Staff has been trained to assist with an emergency during regular school hours. After school hours and during the summer, this is a Public Access Defibrillation (PAD) program. If you suspect someone is experiencing a Sudden Cardiac Arrest, please feel free to use the equipment at our school. Good Samaritan laws protect the layperson in a life-saving attempt, although we recommend becoming trained in CPR/AED use as an investment in your health and the health of others. Our local Emergency Medical Services and AASD Medical Director are aware of our procedures for the program.

*"Project ADAM is a national, non-profit organization committed to saving lives through advocacy, education, preparedness and collaboration to prevent sudden cardiac death. Our affiliate programs improve the cardiac chain of survival in schools and communities in memory of Adam Lemel, a 17-year-old Whitefish Bay, WI, high school student who collapsed and died while playing basketball at school."*

Many thanks for your participation in this important Heart Safe initiative in our school. To see our school on the Project ADAM map, visit [www.projectadamwi.com](http://www.projectadamwi.com).

Sincerely,

AASD District Nursing Staff
