

# BECOME A CHAMPION

Beaumont ISD invites community pastors to join the Campus Champions volunteer program and adopt a school near your church. As a Campus Champion, your presence and leadership can provide students with guidance, encouragement, and a positive role model to look up to.

Campus Champions are pastors who partner with a BISD school to offer chaplain services, ministerial counseling, and spiritual guidance for the campus community. This partnership is designed to foster strong relationships between schools and local churches, creating a support system for students and staff alike.

## Why Become a Campus Champion?

- **Inspire the Next Generation:** Your presence shows students what is possible and helps them envision a brighter future.
- **Provide Support and Encouragement:** By walking the halls, visiting classrooms, and engaging with students, you provide a steady, positive influence that can uplift the entire campus community.
- **Strengthen the Community:** A strong partnership between schools and local churches helps build a sense of unity and shared responsibility for student success.
- **Be a Role Model:** Your leadership and guidance can positively impact students and staff, helping them feel supported, valued, and cared for.

## As a Campus Champion, your role may include:

- **Visiting the Campus:** Regularly walking the halls, visiting classrooms, and being a visible presence for students and teachers.
- **Engaging with Students:** Talking to students during lunch or observing daily activities to better understand their needs.
- **Providing Support:** Offering encouragement and a listening ear to students, staff, and the campus community.

This partnership is not about leading formal group sessions, but rather about offering a consistent, supportive presence to uplift and inspire those on campus.
