● SSC meeting schedule

- Reviewed tentative SSC Tuesday meeting schedule with the following dates: 12/02/25, 01/20/26, 03/03/26, 04/28/26, and 05/19/26.

● Analyze student achievement data

- Reviewed 2024/2025 student achievement data from CA dashboard. Parent Alicia asked when the data was pulled which is from Spring of 2024. Data is shown from the past three years. Progress was made in chronic absenteeism, ELP, ELA, math and the suspension rate.
- Reviewed 2024/2025 attendance data. Data was pulled from the last three years and has consistently gone up each year. Out of school suspension rate has gone down.
- Reviewed 2024/2025 SMART Goals. Goal 1 is attendance which was measured through PowerSchool and increased by 0.6%. Goal 2 is academics which is measured by renaissance reports and is expected that by the end of the year, each student will achieve a minimum of 50% growth proficiency in math and ELA. Goal 3 is behavior which is measured by Second Step completion, Tier 2 and 3 supports and by the end of the year where there will be a decrease in ODR's by 10%. Lastly, goal 4 is the admin pop in which allows for admin to provide feedback by visiting classrooms.
- We are achieving this by having grade levels meet and discuss goals and practices as well as meet every trimester. Each teacher created student goals to implement.

● Adjournment

- Reviewed agenda items for our next meeting on December 2nd at 3pm including School Safety Plan and beginning to monitor SPSA (looking for areas to improve and help with a possible revision).
- Meeting ended at 3:45pm

Next SSC meeting is December 2, 2025
