National High School of Excellence

White Plains is a thriving suburban city with an economically and racially diverse population of close to 50,000 and is located about 25 miles northeast of New York City. White Plains High School offers unique educational opportunities, highly qualified staff, and extensive facilities, and is located on a beautiful 75-acre campus. The honors and awards achieved by students, faculty, teams, and groups are a tribute to the quality of the school's academic programs and the caliber of its teaching staff. In fact, the U.S. Department of Education recognized the high school as a "School of Excellence" and White Plains has been designated as one of the "Top 100 Communities for Music Education" in the United States.

White Plains High School serves approximately 2,159 students in grades nine through twelve. Our school day is divided into nine periods, this includes three lunch periods. Our school year is divided into two semesters.

A wide array of learning opportunities - over 300 courses - includes Honors and Advanced Placement courses in all academic subjects, dual enrollment courses, noteworthy electives, and excellent business and technology courses. Extracurricular opportunities abound. Students can become involved in more than 60 clubs, award-winning literary publications, performing arts groups, and over 50 athletic teams.

Our facilities include a state-of-the-art media center, science wing and a food court style cafeteria. The high school houses an auditorium and little theatre, computer classrooms, a fully equipped television studio, music technology lab, a photo lab with darkroom, extensive technology and training centers, two gyms and two fitness centers, 12 athletic fields including an artificial turf stadium with an eight-lane track, 11 tennis courts, a Project Adventure ropes course, and an indoor swimming and diving facility.

ADDITIONAL REQUIREMENTS AND DIPLOMAS

All students at WPHS are required to take and pass, with a minimum grade of 65 (55-64 passing option for a local diploma under special circumstances), one NYS Regents Examination in Mathematics, Science, English, Global Studies and American History in order to receive a NYS Regents Diploma. To receive a NYS Advanced Regents Diploma, students must pass a total of two Regents Exams in Science, three in Math, complete three credits in a language other than English, and pass the NYS LOTE B Assessment in that language.

GRADE POINT AVERAGE

GPA is unweighted, with the exception of Advanced Placement, Dual Enrollment, Science Research and Honors courses, to which a multiplier of 1.3 is applied. The first ranking is computed at the end of grade 11 and is reported on all senior transcripts. The final ranking is computed after the first semester of grade 12. Courses taken outside the district are unweighted with the exception of IB and AP classes. For transfer students, the weighted GPA includes all weighted and unweighted courses taken at WPHS as well as unweighted courses taken at any previous school. For that reason, the weighted average for transfer students is not an accurate measure of comparison in terms of final GPA or ranking. Courses that are not pass/fail courses can be taken on pass/fail basis only in extraordinary situations.

CLASS RANK

Class Rank is based on an average of final grades in all courses beginning in ninth grade with the exception of physical education and Pass/Fail courses.

CLASS OF 2025 WHITE PLAINS HIGH SCHOOL COVID ADDENDUM

During the COVID 19 Pandemic White Plains High School shifted to online learning on March 13, 2020 through the end of the 2019-2020 school year. During the 2021-2022 school year, White Plains High School offered students in-person, hybrid, and remote learning. Teachers modified lessons and assignments to suit in-person and distance learning and attendance was recorded.

New York State Seal of Biliteracy

WPHS students who reach a high level of proficiency in a world language have the opportunity to earn the New York State Seal of Biliteracy. The New York State Seal of Biliteracy distinguishes high school graduates who have attained a high level of proficiency in listening, speaking, reading, and writing in one or more world languages. In 2025, a total of 68 WPHS graduates earned the NYS Seal of Biliteracy in the following languages: American Sign Language, Chinese, French, Italian, Portuguese, Russian, Spanish, Tamil and Ukrainian.

New York State Seal of Civic Readiness

The Seal of Civic Readiness is a New York State recognition that shows student's understanding and commitment to participatory government. Students must earn points in Civic Knowledge and Civil Participation. Students at White Plains High School earn Civic Knowledge points by attaining credits in Social Studies courses, proficiency or mastery on the Global/US regents exam, taking advanced courses and/or completing a research project. Students at White Plains High School earn their Civic Participation points by completing a Civics project, Service-Learning project, completing Community Service or enrolling in Work Based Learning, some students even complete a Capstone project. 138 of the students in the graduating class of 2025 earned the Seal of Civic Readiness at White Plains High School.

AP Courses at White Plains High School

The following 21 AP courses are available to students at WPHS: Biology, Chemistry*, Environmental Science, Physics C, Calculus AB, Calculus BC, Statistics, Psychology, English Language & Composition, English Literature & Composition, U.S. Government & Politics*, U.S. History, Comparative Government & Politics*, World History, AP Computer Science Principles, French Language & Culture, Italian Language & Culture, Spanish Language & Culture, Spanish Literature, Chinese Language & Culture, Studio Art.

**Offered in alternate years.*

2025 AP Examinations

All students enrolled in AP Courses are required to take the exams. In 2025, 558 White Plains High School students took a total of 918 AP examinations. 80% of Seniors scored a 3 or higher during their academic career in high school.

76 AP Scholars (students scoring 3 or higher on 3 or more exams)

37 AP Scholars with Honor (students scoring an average of at least 3.25 on all exams, and 3 or higher on 4 or more exams)

62 AP Scholars with Distinction (students scoring an average of at least 3.5 on all exams, and 3 or higher on 5 or more exams)

Science Research Program

The Science Research Program at White Plains High School is a unique opportunity for students to experience the rigor and rewards of real scientific research while still in high school. The three-year sequence of courses is designed to provide students with an understanding of research methods in the sciences and is above and beyond the students' lab science requirements. Summer work activity is also required. Students choose a topic of interest and construct an original experiment assisted by a mentor of their choice — a working scientist from the private or public sector, or a college or university professor. In addition to three high school credits, college credits may also be earned from the State University at Albany. Nineteen participants in this program have been selected as Intel (now Regeneron) Science Talent Search Semi-Finalists and in 2012 one student was selected as a finalist in the International Science and Engineering Fair. Students at all levels of the course are expected to participate in at least one science fair per year (3 for seniors). Students are preparing for these fairs throughout the year. Only Science research 2 & 3 is dual enrollment.

School and Community Service

White Plains High School does not require community service. However, we have many students who volunteer hundreds of hours in service to our school and community. Their transcripts reflect these extraordinary efforts. Students can receive up to one full credit per year on their transcripts for community service for a maximum of four credits over four years. A student with four credits of community service on his/her transcript has volunteered at least 120 hours each year of high school. The credit is non-academic and is above and beyond the 22 credits required for graduation.
