

ORANGE UNIFIED SCHOOL
DISTRICT BOARD OF EDUCATION
PROCLAMATION

Attendance Awareness Month – September 2025

WHEREAS, good attendance is essential to student achievement and graduation, and we are committed to dedicating our resources and attention to reducing chronic absenteeism rates, with a focus starting as early as prekindergarten and kindergarten;

WHEREAS, chronic absence – missing 10 percent or more of school for any reason including excused and unexcused absences, or just two or three days a month – is a proven predictor of academic trouble and dropout rates;

WHEREAS, chronic absence predicts lower third-grade reading proficiency, course failure, and eventual dropout, it weakens our communities and our local economy;

WHEREAS, attendance gaps among groups of students often turn into achievement gaps that undermine student success. Chronic absence particularly exacerbates the achievement gap that separates low-income students from their peers, since students from low-income families are both more likely to be chronically absent and more likely to be affected academically by missing school;

WHEREAS, absenteeism also undermines efforts to improve struggling schools, since it's hard to measure improvement in classroom instruction if students are not in class to benefit from them;

WHEREAS, all students – even those who show up regularly – are affected by chronic absence because teachers must spend time reviewing for students who missed lessons;

WHEREAS, chronic absence can be significantly reduced when schools, families, and communities work together to monitor and promote good attendance and address hurdles that keep children from getting to school;

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of Orange Unified School District proclaims September as “**Attendance Awareness Month.**” We hereby commit to focusing on reducing chronic absenteeism to give all children an equitable opportunity to learn, grow, and thrive academically, emotionally, and socially.
