No School – Thanksgiving Break

*Not all classrooms have walls. Anonymous*

Speaking of classrooms without walls, we are so happy to share that our very first Washington D.C. field trip was a success! Murray had 49 students, 5 teachers and 3 family members attend this wonderful experience. Despite the government shutdown, our Pilots were able to take in a rich journey that had them visiting the following sites and historical venues –

1. Holocaust Museum
2. Howard University
3. African American Civil War Memorial
4. Vietnam Memorial
5. Lincoln Monument
6. Gettysburg and Gettysburg College
7. Catocin Mountain Orchard
8. US Capitol, US Supreme Court
9. Library of Congress
10. Ford's Theatre
11. Jefferson Monument
12. Arlington National Cemetery
13. 9/11 Memorial
14. Washington Monument
15. World War 1 and World War 2 Memorials
16. MLK Monument
17. Vietnam Soldier Memorial
18. Vietnam Nursing Memorial
19. White House

Wow! Needless to say, when they returned, everyone was exhausted! Thank you for all that helped to organize and support this amazing event that created lifelong memories and stretched the learning beyond our classroom walls. Stay tuned for potential 26/27 school year opportunities.

We had a huge turnout for fall conferences. It was great to see so many families engaging with our teachers. We do acknowledge that it can be challenging to see all of the teachers that you are planning to connect with due to the finite amount of time we have for our conferences. I want to reiterate that ALL of our teachers are ready and willing to connect with our families if they missed you during conferences. All families need to do is reach out to your child's teacher via email or phone and request a follow up. Educating our Pilots is a partnership and we want to make sure that we are supporting each and everyone of our families. So, please reach out if you missed someone or feel you need a deeper follow up!

### Celebrations:

[#Pilotprops](#) of the week! Ms. Steinhoff would like to celebrate Pae'Science Anderson. Pae'Science has been an excellent leader in WEB so far this year. She has grown into her abilities to have fun, be a leader and make school a fun place for everyone. It's been enjoyable to see her making gains in her goals with academics and sports. Thank you for being an enthusiastic addition to our Murray community!

[#Pilotprops](#) of the week! Ms. Nalepka would like to celebrate Stefany Albarracin Pinto for all of her hard work in class and working so well with others. She always has a happy positive attitude! Way to go Stefany!

Your Co-Pilot,

Jamin McKenzie  
Principal, Murray Middle School

## Sixth Grade

### **English Language Arts with Ms. Carter:**

In 6<sup>th</sup> Grade Readers Workshop, we are working on interpreting character and setting in our independent reading books, as well as reading *Rain is Not My Indian Name*, by Cynthia Leitich Smith.

In Writers Workshop, we are practicing writing 5 paragraph argument essays, starting with an essay about their favorite dessert.

### **MN Studies with Ms. Atchison and Mr. Kareem:**

Students have been learning about early Dakota history (before the 1800s). Students read value stories to better understand an important value in early Dakota culture. Students learned about jobs in early Dakota history and considered how seasons influenced early Dakota housing and lifestyles.

## Seventh Grade

### **English Language Arts with Ms. Steinhoff:**

Ms. Steinhoff's 7<sup>th</sup> grade students are working on analyzing the identity of different authors' perspectives and how that shapes their writing. Together we have created identity statements (a claim) and we are now working on putting together evidence from the various texts as well as how to include strong reasoning to support their statements. Soon, students will be working on a summative assessment where they will use all of their gained knowledge from this unit and show what they know! Lastly, students were given their FAST reading scores as well as their Lexile scores. They then used these to think about how they are (or are not!) challenging themselves with their books. Ask your student what they are reading, and encourage them to read at home as well. Practice makes "perfect", and spending extended periods of time engaging in reading at home can support students in making massive gains in their reading skills!

### **American Studies with Ms. Newman and Ms. Atchison:**

Seventh grade history is continuing to learn about the US Civil War focusing on the 54th Massachusetts, the Battle of Gettysburg, and the daily life of soldiers and nurses. After the Civil War, we will be learning about Reconstruction and rebuilding after a deadly and destructive four-year long war.

## Personal Finance

### **Personal Finance with Mr. Gravert:**

In personal finance class, we're building essential life skills! We recently wrapped up an insightful unit on **consumerism**, learning how to be smart shoppers and adopt **best practices for spending** our money wisely. Now, we're diving into the critical topic of **budgeting**, where students will learn to create and maintain a spending plan that helps them reach their financial goals. When creating a budget, two great tips are to **track every expense** for a month before setting categories to see where your money *really* goes, and to always **allocate funds for savings** first, treating it like a non-negotiable bill. This new unit will equip students with the tools they need for a financially stable future.

## Gratitude

The Murray Middle School Staff would like to extend their sincere gratitude to Anita Severt, Nia Anderson, The PTO, and the countless number of parents who brought, served, and donated food and drinks to us during Family Teacher Conferences. The generosity of the Murray community was amazing! Thank you! It was greatly appreciated.

## Staff Spotlight

Hi! My name is Lizzi Kyser and I am thrilled to be joining Murray Middle School this year teaching English as a Second Language (ESL).

Even though this is my first year as a teacher in St. Paul, I have been teaching since 2006. My most recent experience was teaching Reading Interventions in Apple Valley. Before that, I taught EL and Reading in Roseville. My family and I live right here in St. Paul, so I am so happy to finally be teaching at "home." My kids are in 5th grade and 2nd grade and attend Adams Spanish Immersion. As a family, we enjoy hiking and boating. I also like to read, garden and bike.

Switching from elementary to middle school has been an exciting change for me. I love the independence the kids show and the way they are growing into the people they want to become. I look forward to learning and growing with this year.

## Attendance

Student absences/tardies may be submitted through the parent campus, emailed or phoned into the attendance line:

[murrayattendance@spps.org](mailto:murrayattendance@spps.org)

651-744-5223

Please state the student's name, grade, date and the reason for the absence/tardy.

Email or call each day the student is absent. If a phone call is made by a parent or legal guardian, then no written note is required as follow-up. You may also send a note with your child to bring to the office explaining their absence if you are not able to call.

If your child needs to leave early for an appointment, send a note with your child to bring to the office that morning. They will then receive a pass to leave and be able to meet you in the office at the appointed time. A parent or legal guardian must come in to the office to sign the student out.

Please remember if your child will be out for an extended period of time due to a family event, have your child come to the office for an 'application for special leave'.

## Staff Spotlight

¡Hola! ¡Mucho gusto!

My name is Ms. Sari, and I am an EL Teacher at Murray and I teach English language and academic writing classes. I am excited to support language learners of all levels in developing their reading and writing abilities, conversational language skills, and supporting content comprehension and academic language development in the areas of Science and Math.

This is my fifth year as an EL teacher. Prior, I worked supporting students with special needs, and as a college and career access secoach with nonprofits in St. Paul. I have experience working with students from kindergarten through high school, and have spent most of my time in Middle School classrooms.

One space I love to be when I am not at school, is in museums, theaters and libraries. I believe that art and storytelling is a powerful tool to build community and compassion and to create change. I also love to be out riding the bike trails, digging around in my garden, or hanging out by a lake when the weather is nice.

One fun fact about me is that I am bilingual! **I speak English and Spanish, and didn't start learning until I was an adult.** You are never too old to begin learning a new language, and, as I tell my students-being multilingual is a super-power!

I am grateful every day that I get to work with students as they learn English and I look forward to a wonderful year with Murray Middle!

## **Counselor Corner & Mental Health Corner**

As we get closer to the end of Quarter 1 (November 6) - please log into Schoology and check your child's grades with them. They should know how to navigate their courses and see what is missing. Often missing work is the reason for lower grades.

- Schoology: <https://schoolology.spps.org/> (grades, classes, coursework, missing assignments)
- Campus: <https://spps.infinitecampus.org/campus/portal/parents/stpaul.jsp> (schedule, bus, attendance, etc.)

### **Therapy/counseling services with LifeStance:**

- If you are interested in your child seeing our school-based Mental health therapist, Ms. Rachel Howard, through our partnership with LifeStance, please contact your child's school counselor. Rachel is at Murray every day and can have therapy appointments during the school day!

### **Holiday/Winter Support**

As we are closer to the holiday season, please let Ms. Revermann or Ms. Engelstad know if you could support families who could use a little extra love and care during the holiday season in the form of financial assistance or help getting presents and resources to their children. You can also let us know if you are in need of some extra help over the holidays and we will try our best!

## **Counselor Corner & Mental Health Corner**

### **Coats, Hats, Mittens Donation**

We are always in need of new or gently used/clean jackets, coats, mittens, and hats for our students. If you would like to donate any, please contact one of our social workers or counselors. We greatly appreciate it!

### **8th grade families:**

The PreK-12 School Choice Fair will be held on Saturday, December 13, 2025, from 9:30 a.m.- 2 p.m. at the Saint Paul RiverCentre (175 East Kellogg Blvd). Attend the fair to learn more about SPPS schools, programs and services, and ask questions about selecting a school for 2026-27.

### **Every Meal**

We have a partnership with EveryMeal and students can pick up free food bags to take home. More information and sign up on the link here or QR Code: <https://forms.gle/JYus6pV3yRTN7ByQ6>

# SPPS Parent Guide to Schoology

Welcome to Schoology! This guide will help parents and guardians understand what Schoology is and how to use it. You can find out more at the Schoology Help Center website at [support.schoology.com](http://support.schoology.com)

## What Is Schoology?

Schoology is an online Learning Management System that helps you stay informed about your student's classes, assignments and grades. You can use Schoology to:

- View your student's Courses and Groups
- View your student's upcoming, current and overdue assignments
- Monitor school and course announcements
- Stay involved in your student's education

## How to Access Schoology

- Go to [spps.org/onestop](http://spps.org/onestop) and click on Schoology.
- Use your One Stop username (g#####) and password that you received in the mail to log in.
- If you don't have your One Stop username, contact your school's front office for assistance.

## Using Your Parent/Guardian Schoology Account

### Viewing your child's activity

Click on the dropdown menu arrow in the upper-right corner of your account next to your name. Select your child's name to view account activity.

### Home

Both parents and students have separate Home Pages. Similar to Facebook, the Home Page is the first place a user lands after logging in to Schoology. Here, you'll see all events, activities or updates that have taken place.

### Courses

Here you will find all your child's academic courses listed in a pulldown menu. Click on a course to see more information, details or assignments.

### Groups

Groups are most often used for information, activities, or special interests. For example, your child might belong to an athletic team that maintains a Schoology Group. Groups do not issue grades.

Note: Guardians are only able to see their own student's Schoology account, **Courses and Groups**. They are not able to join other Courses or Groups, or post comments, or see other student information.

## Navigating Student Schoology Accounts:

The screenshot shows a student's Schoology account interface. On the left is a sidebar menu with options: Summary (1), Grades/Attendance, Mastery, Calendar, and Messages. The main area is titled 'Student Activity - Enrollments' and contains a table of courses. The table has columns for 'Courses', 'Current' (2), 'Grade', and 'Attendance'. The courses listed are Spanish Section 2 (80%), Algebra Section 1 (90%), English 10 Section 1 (92%), and U.S. History and Period (no grade/attendance shown). Below the table is a 'Groups' (3) section with icons for Jk Soccer and Students. On the right is a 'Recent Grades/Attendance' (4) section with links for 'Graded assignments', 'Graded tests/quizzes' (2), 'Graded discussions' (3), and 'Attendance'. Below this is an 'Overdue' (5) section with a due date of Friday, June 26, 2015, and a link for 'Gmail Getty Essay Due 12:55 am'. At the bottom right is an 'Upcoming' (6) section with dates for Thursday, July 23, 2015 (10:2 Unit Questions 12:55 am) and Tuesday, July 21, 2015 (Practice Questions 11).

- 1 Use the left menu to quickly view specific information about your student's Schoology Activity:

**Summary:** Click to see an overview of your student's courses and grades (Enrollments in the center column), or notifications about grades on individual assignments (Student Activity in the middle column).

**Grades:** Review your student's grades for all courses.

**Mastery:** If your student's school aligns materials to standards and learning objectives, you can check progress here.

**Calendar:** Click to view a calendar of past and upcoming events and assignments. Events and assignments in the near future are also listed in the Upcoming column on the right.

**Messages:** Parents do not have access to **Messages**.

- 2 Select **Enrollments** in the center column to see a list of your student's current courses, along with their grade. The grade may not be displayed while the course is in progress, as in the grade column for U.S. History in the sample above. Click on an individual course to see grades for assignments, tests, and discussions.
- 3 Here under **Groups**, you can see a list of your student's Schoology Groups. Groups can be used for a variety of activities, from school projects to extracurricular teams and clubs.
- 4 The **Recent Grades/Attendance** section displays your student's recent grade. **Attendance is not tracked in Schoology. Please refer to the One Stop Campus Portal link to check on attendance.**
- 5 The **Overdue** section displays a list of course materials your student did not turn in by the due date.
- 6 The **Upcoming** section displays a list of your student's upcoming assignments and events.
