Explorer Day

This year our 5th grade students have been given the honor of reciting the Gettysburg Address at the all school Veterans Day assembly 11.11.25. We are excited to share and would love to have your join us!

5th Grade Update

We had a fantastic week in 5th grade! Our field trip on Wednesday was a great success, and our students had a wonderful time learning and exploring together. A huge thank you to the parents who volunteered and supported us-you helped make the day meaningful, smooth, and fun. We truly appreciate your partnership!

Students also received their **Southeast States** this week. They are preparing for their **Southeast States Test on November 19th**, so reviewing at home will be very helpful. A few minutes each evening goes a long way!

Belts

A quick reminder about uniforms: **students should be wearing belts each day**, including on days when they wear jeans. We've had quite a few students forgetting lately, so please help your student remember as part of their morning routine.

Thank you so much for your support in helping students take pride in being prepared and responsible!
