

What is a School-Family Compact?

A school-family compact is an action plan to enhance schools and promote student success.

The school-family compact describes how The Fine Arts Academy and families can work together to help our students achieve at high levels. This compact outlines how parents, the school, staff, and students will share responsibility for improved student academic achievement.

The school-family compact is created with input from families and staff. The final compact is distributed electronically and posted on The Fine Arts Academy website.

This compact describes what the school will provide to students and parents, how communication will take place, and how teachers will help students develop necessary skills. It also outlines what strategies families can use at home to support their child's learning.

Our Mission

Fostering a culture of excellence and empowering Brewer Bears to be innovators and leaders of tomorrow by providing premier education.
