

2025 Proposition 28: Arts and Music in Schools Act — School Site Expenditure Plan

Background

The Proposition 28: the Arts and Music in Schools (AMS) Act provides an annual source of funding for arts education in California, between \$800 million and \$1 billion each year. This document, the School Site Expenditure Plan Template, can be used to support the planning of these funds. Each school is required to submit an annual board-approved report to post on the school district’s and Department of Education’s website that details the types of arts education programs funded by the program, the number of full-time equivalent (FTE) teachers, classified personnel, and teaching aides; the number of students served; and the number of school sites providing arts education programs with such funds.
