THE FALCON FLYER

News and Highlights – Week 11: 10/27/2025

Principal's Notes:

Hello Figarden Families,

I hope everyone is enjoying the weekend and getting ready for the week ahead.

Thank you to all of the parents who attended parent-teacher conferences this past week. I hope that you all found your conferences to be beneficial and were able to collaborate with your student's teacher. We value your partnership and want to ensure that we are working hard to meet every individual student's needs.

This week will be week two of the second Quarter. Please encourage your students to stay focused on meeting their iReady goals. Each student should complete and pass with 80% accuracy two lessons in Language Arts and two lessons in Math to be on track to complete their iReady stretch growth goal this year.

This week is Red Ribbon Week. This year's theme is "Life is like a puzzle. Live it Drug Free". This year's theme serves as a powerful reminder that every choice we make fits into the bigger picture-just like a puzzle coming together. The message serves as a reminder that every person makes a difference in their community by making positive choices. Red Ribbon Week is the nation's largest and longest-running drug-use prevention campaign. It began in 1980 by a non profit organization with a handful of concerned and determined parents who were convinced they should play a leadership role in drug prevention.

We will be celebrating Red Ribbon Week this week with a number of activities. We will have dress up days, including book character dress up on Friday. Students will receive a Red Ribbon Brag tag. We will have special morning announcements, a door decorating contest, and some additional classroom activities focused on being drug free.

We are excited to support our Falcons in learning and growing so that we can all *Achieve Our Greatest Potential*. Let's have an impressive week of learning!

Mrs. Lopez

Thursday, October 30th
5:00 p.m. to 7:00 p.m.
