Choice Program Application

Choice and Careers Academy Programs
Families with students entering Pre–Kindergarten through grade 12 have the opportunity to choose from an array of theme-based curricula offerings at the elementary, middle, and high school levels that provide innovative and rigorous academic instruction by specially trained teachers.

These programs provide students with a pathway to postsecondary educations and careers. Students may apply for one or two Choice or Career Academy programs with available space. Selection for placement is made in the spring of each year via a lottery process. Transportation is provided only for designated Choice Programs.

Online Application
