October 27-31

Note from the teacher

Good morning families! Hope you were able to do something fun and relaxing over the wet and rainy weekend.

This week is Bully Prevention week. Mrs. Bobey and our Student Council have planned some very fun spirit days. See the attached flyer for more information.

The weather is getting colder and students are needing to use jackets, coats, hats, and gloves. Please practice having your child put these on independently. Our recess time is very short and if students can do these things independently, we will get outside for recess, fun quicker. Also practice shoe tying with your student. I'm happy to tie shoes all the way up to January. After January, I expect first graders to tie them on their own or find a friend that can help. This is part of our building independence is first grader.

To be respectful of all Deerfield families there are no costumes allowed on Friday.

Please reach out to me if you have any questions or concerns.
