Goals for 2025-2026	Implementation Evaluation
<p>Designed to promote student wellness, our school provides a clean dining environment for students and provides lunch within the federal window. Our school does not withhold food as punishment. Our school supported the health of all students by providing the following: screenings for vision, hearing and BMI weight. Letters informing parents of areas of concern are sent home with students. Students have the opportunity to participate with an afterschool club called “Bobcats On the Run”.</p>	<p><input type="checkbox"/> Goal was successfully implemented.</p> <p><input type="checkbox"/> Goal was partially implemented. <i>Comments:</i></p> <p><input type="checkbox"/> Goal was not implemented this school year. <i>Comments:</i></p> <p><input type="checkbox"/> Documentation is available at school site and easily accessible for audit.</p>
<p>For our staff, the principal has had a conversation with the mayor of Deltona in regard to their fitness challenge. Mr. Rednour is going to promote this challenge to employees of the school to join in on the challenge. It meets 3 days a week to do different activities like boot camps, running, circuit training and more. The mayor discussed that they are adding a kids section to the challenge this year so this is something that may interest some of the staff.</p>	<p><input type="checkbox"/> Goal was successfully implemented.</p> <p><input type="checkbox"/> Goal was partially implemented. <i>Comments:</i></p> <p><input type="checkbox"/> Goal was not implemented this school year. <i>Comments:</i></p> <p><input type="checkbox"/> Documentation is available at school site and easily accessible for audit.</p>
