### Directing Requests

- 5.01 Requests in writing for negotiations meetings from the Association will be made directly to the Superintendent or his designee. Requests for negotiation meetings shall be submitted at least seventy (70) days prior to the expiration of the contract term.

### Negotiation Meetings

- 5.02 An agreement shall be reached by the Board and the Association within five (5) days of the request as to the time and place of the meeting which shall be held within ten (10) days after the request has been submitted. All items proposed by the parties shall be written and submitted to the representatives of both teams at the first meeting. No additional items shall be submitted by either party following the first meeting, unless mutually agreed by the parties. Additional ground rules, if any, shall be established by mutual agreement at the first meeting.
- 5.03 When bargaining sessions are scheduled during the school day the Board shall provide release time to the Association's bargaining team at no loss of pay. The Board shall provide substitutes.
- 5.04 As used in this Article the terms "Board" and "Association" shall be construed to include their respective representatives.
- 5.05 Time and dates as used in this Article may be changed by mutual agreement.

## Representation

- 5.06 Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. A maximum of six (6) representatives of the Board shall meet with a maximum of six (6) representatives of the Association to negotiate in good faith as defined in paragraph 5.20. While no final agreement shall be executed without ratification by the Association and approval of the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. The Association's six (6) member bargaining team shall be comprised of at least one (1) representative from each building.

## Exchange Of Information

- 5.07 Upon reasonable request, the Superintendent shall make available to the Association all public documents or such information as is pertinent to the issues under negotiation; provided however, that nothing herein shall require the Superintendent to make available to said teacher association any information or reports expressly compiled for the use of the Board or its negotiators.

## Caucus

- 5.08 The Chairman of either group may recess his group for independent caucus of reasonable duration at any time during a negotiation meeting.

## Protocol

- 5.09 No action to coerce or censor or penalize any negotiation participant shall be made or implied by any other member as a result of participation in the negotiation process.

## Item Agreement

- 5.10 As negotiation items receive tentative agreement, they shall be reduced to writing, dated and initialed by each party. Such initialing shall not be construed as final agreement and shall not be binding upon the negotiation teams until all items in dispute have been resolved.

## Schedule of Meetings

- 5.11 Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the subsequent meeting.

## Agreement

- 5.12 If consensus is reached on those matters being negotiated, the understanding of the teams shall be reduced to writing and submitted to the membership of the Association for ratification. If ratified, the written contract between the parties shall be submitted to the Board for its consideration. If approved by the affirmative vote of a majority of the full Board, the agreement shall be signed by both parties.

Good faith requires both parties to recognize negotiation as a shared process.
- 5.20 The obligation of the representatives of the Board and the Association to meet for purposes of professional negotiations does not compel either party to agree to a proposal or require the making of a concession.

#### 10.02 Contracts

Contract recommendations are acted upon no later than the May Board of Education meeting during the school year that the current contract expires. Be sure all documentation and other steps required are completed in advance. The Board may issue a one (1) year contract to a teacher who is eligible for a multi-year contract for reasons directed at the teacher's professional improvement.

The contract sequence for teachers new to the district who become licensed for the first time on or after January 1, 2025 is as follows:

Upon initial hiring, a teacher's contract for employment shall be for a term of one (1) year, thereafter, limited contracts will be offered as follows:

1. Any teacher while participating in the Resident Educator Program (RESA) shall be offered a series of one-year contracts until completed. Completion and passage of RESA must be confirmed by the time contracts are issued in order to be eligible for a longer term contract.
2. If after the initial one-year contract (and completion of RESA when appropriate), a teacher will be offered a two-year contract so long as their final summative rating is Developing or better.
3. After the initial two-year contract a teacher will be offered a three-year contract so long as their final summative rating is Skilled or better. If not, they will repeat the two-year contract.
4. Any subsequent contracts shall be a three-year contract thereafter, unless/until obtaining a continuing contract or nonrenewal.

- b) His/her contract must be up for renewal in the year they apply.
- c) His/her principal must recommend to the Superintendent that the teacher be placed on a continuing contract.
- d) He/she must hold a professional, permanent, or life certificate. OR, he/she must hold a professional license and have completed one of the following:
  - If the teacher held a masters degree at the time of initially receiving a teacher's certificate under former law or an educator license, six semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board of education shall adopt.
  - If the teacher did not hold a masters degree at the time of initially receiving a Teacher's certificate under former law or an educator license, thirty semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board of education shall adopt.

### **ARTICLE XI. CLASS SIZE**

#### Guidelines for Class Size

11.01 The Board will limit class sizes (student to teacher ratio) as follows:

- A. twenty-two to one (22 to 1) for kindergarten;
- B. twenty-four to one (24 to 1) for grades 1-5;
- C. twenty-seven to one (27 to 1) for grades 6-12

11.02 If these guidelines are exceeded, the teacher will be paid fifty dollars (\$50) per student per nine week period. In order for payment to occur, the number of students causing the class size overage needs to be registered in the classroom for (20) twenty days during the nine week period. Payment will occur after each grading period and teachers are responsible to turn in the proper form (created by the superintendent). Paperwork needs to be turned in within (10) ten school days of the end of the nine week period to receive payment. Elementary teachers are considered to teach five sections of classes (Reading, Language Arts, Science, Social Studies and Math). For inclusion settings, teachers would split the pay for class size overages based on the class size guidelines of 11.01. This agreement would not include PE, Band, Choir, study halls (academic Assists) or any digital offerings. Elementary related-arts teachers on a rotating schedule will be paid twenty percent (20%) of the full amount.

### **ARTICLE XII. HOURS**

#### Contract Day

- 12.01 The length of a normal school day for all full-time certified teachers shall be seven and one fourth (7 1/4) hours. There will be three early dismissal days on the school days that precede the following breaks: Christmas, Spring Break, and Summer Vacation. Early dismissal shall occur after the last lunch, so long as the State mandated minimum school day length is satisfied.
- a. In the event that school is delayed on an early dismissal for break, school will be dismissed at the regularly scheduled time.

#### Contract Year

12.02 The teacher work year shall be one hundred eighty-two (182) days. Two contracted days will be divided into:

- a. 13.5 hours to be divided between open house (2<sup>nd</sup> contracted day) and parent-teacher conference days.
- b. An absence on letter “a” above is only permitted for extenuating circumstances as approved by the building principal. Any member absent on those days/times will be required to make up those hours.

- 12.03 This is separate from Section 12.02. The following will serve as professional development/teacher work days:
- Five full days will be contractual work days without students for teachers to work on professional responsibilities: one day before the school year begins, one day after the school year ends, the first two days of Thanksgiving Week, and one other Friday in May as scheduled. These work days will be 8:00 a.m. to 3:15 p.m. and includes a 45-minute break for lunch.
  - Seven full days will be contractual work days without students for professional development: one day before the school year begins, the remaining six days will be scheduled on Fridays throughout the remainder of the school year. Professional development days will be 3.25 hours of District directed time, and 3 hours of teacher work time for professional responsibilities. These professional development days will be 8:00 a.m. to 3:15 p.m. and includes a 45-minute break for lunch (11:15 a.m. – 12:00 noon).

Additionally, teachers new to the district may be required to attend professional development day for curriculum planning in August prior to the start of school. Those teachers affected will be paid \$40 per hour for attending. This is in addition to a new staff orientation day.

#### Modifications

- 12.04 Notwithstanding 12.01 and 12.02, the parties may agree to modify the length of the normal school day and/or the normal work year on a case-by-case basis. Such agreements shall be reduced to writing and shall be signed by the Board or its designee, the appropriate teacher, and the Association.
- 12.05 Staff who have “extended day” contracts must complete their time on days that are not normal work days. This means work must be completed before or after the school year, unless approved otherwise by their supervisor. These days may be made up in half-day increments.

#### Part-Time Teachers

- 12.06 Part Time-Teachers will be paid on a pro-rated basis.

**ARTICLE XV. GRIEVANCE PROCEDURE**

Grievance Defined

15.01 A grievance is a complaint involving the violation, interpretation or application of this master contract agreement.

Party in Interest

15.02 The lodging of any grievance shall be the right of a teacher, the Association or group of teachers. An "aggrieved person" is the teacher, Association or teachers having a grievance.

Definition of "Days"

15.03 For the purpose of this Article "days" shall mean teacher work days except as otherwise indicated.

Purpose

15.04 The Board recognizes that in the interest of effective personnel management, a procedure is necessary whereby its teachers can be assured of a prompt, impartial, and fair hearing on their grievances. Such procedures shall be available to all teachers.

No reprisals of any kind will be taken by either party or by any member of the Administration against any party in interest, any school representative, any member of the Association or any participant in the grievance procedure by reason of such participation.

Time Limits

15.05 Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum and every effort should be made to expedite this process. The time limit specified may be extended by mutual agreement.

15.06 Failure at any step of the procedure by the Administration to communicate the decisions of the grievance within the specified time limits to the aggrieved party or parties shall permit the aggrieved party or parties to proceed to the next step.

15.07 Failure at any step of the procedure to appeal the grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step and not subject to further appeal.

- 15.08 In the event a grievance is filed or being processed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

#### Level One

- 15.09 Any teacher having a grievance, or any group of teachers having a common grievance on a building level, shall first discuss such grievance with the Principal.

#### Level Two

- 15.10 If the discussion does not resolve the grievance to the satisfaction of the teacher(s), such teacher(s) shall have the right to lodge a written grievance with the Principal using the prescribed forms attached as Appendix C. If such grievance is not lodged within twenty (20) days following the act or condition which is the basis of said grievance, said grievance shall no longer exist. The written grievance shall contain a concise statement of the facts upon which the grievance is based and a reference to the specific provision of the contract allegedly violated, misinterpreted or misapplied. A copy of such grievance shall be filed with the Superintendent. The teacher(s) shall have a right to request a hearing before the building Principal. Such hearing shall be conducted within five (5) working days after the receipt of such request. The aggrieved teacher(s) shall be advised in writing of the time, place and date of such hearing.

The Principal shall take action on the written grievance within five (5) working days after the receipt of said grievance, or, if a hearing is requested, within five (5) working days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the teacher(s) and the Superintendent within five (5) working days of said action. Failure of the Principal to respond within five (5) days shall result in the grievance being sustained.

#### Level Three

- 15.11 If the action taken by the Principal does not resolve the grievance to the satisfaction of the teacher(s), such teacher(s) may appeal in writing to the Superintendent using the prescribed forms attached as Appendix C. Failure to file such appeal within five (5) working days from receipt of the written memorandum of the Principal's action on said grievance shall be deemed a waiver of the right to appeal. Upon request, a hearing shall be conducted by the Superintendent within five (5) working days after the receipt of the request.
- 15.12 The Superintendent shall take action on the appeal of the grievance within five (5) working days after receipt of the appeal, or, if a hearing is requested, within five (5) working days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the teacher(s) and the Principal within five (5) working days of said action. Failure of the Superintendent to respond within five (5) days shall result in forwarding the grievance to the next level.

#### Level Four

- 15.13 If the aggrieved person(s) is not satisfied with the disposition of his grievance at Level Three, he may, within five (5) days after the decision is rendered, request in writing to the Association that his grievance be submitted to arbitration.
- 15.14 The Association may within five (5) days after receipt of the request, submit the grievance to arbitration by so notifying the Board in writing using the prescribed forms attached as Appendix C.

- 15.15 If the Association and the Board are unable to agree on an arbitrator, they shall jointly petition the American Arbitration Association for a list of seven (7) names from which the arbitrator shall be selected by the alternate strike method. Either party shall be entitled to request a second list.
- 15.16 Once the Arbitrator has been selected he shall conduct a hearing on the grievance in accordance with the rules and regulations of the American Arbitration Association.
- 15.17 The Arbitrator shall have authority to consider only a single grievance or several grievances involving a common question of interpretation or application.
- 15.18 The Arbitrator shall hold the necessary hearing promptly and issue the decision within thirty (30) days or such time as may be agreed upon. Decisions shall be in writing and a copy sent to all parties present at the hearing. The decisions of the Arbitrator shall be binding on the Board, the Administration, the Association and the grievant.
- 15.19 The Arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Collective Bargaining Contract, nor add to, detract from or modify the language therein in arriving at a determination of any issues presented that is proper within the limitations expressed herein. The Arbitrator shall expressly confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issue not so submitted to him or to submit observations or declarations of opinion which are not directly essential in reaching the determination.
- 15.20 The Arbitrator shall in no way interfere with management prerogatives involving Board's discretion, nor limit or interfere in any way with the powers, duties and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.
- 15.21 Costs for services of the Arbitrator, including per diem expenses, if any, and necessary travel and subsistence expenses, shall be borne equally by both parties.

#### Miscellaneous

- 15.22 The written grievance shall be sent by registered mail or hand carried and witnessed on delivery to the appropriate persons at each level in the procedure.
- 15.23 This grievance procedure governs all members of the bargaining unit of the school district.
- 15.24 If the Association decides at any level of the grievance procedure that a grievance is without merit or that an equitable answer has been given to the aggrieved person, it may withdraw its support. The aggrieved person may always seek, individually, further satisfaction of his grievance through normal internal administrative channels. He may not be represented by any person, organization or group other than the Association at any time.
- 15.25 Every effort will be made to avoid interruption of classroom activities unless the Administration so authorizes, and to avoid the involvement of students in all phases of the grievance procedure.
- 15.26 The procedures contained in this article constitute the sole and exclusive method of considering the redressing of grievances arising during the life of this Contract and any extensions thereof. It is expressly understood and agreed that neither the Association nor any teacher shall engage in actions which are not expressly provided for in the grievance procedure such as the initiation of litigation or charges with a state or federal agency in connection with any dispute which is or could have been a matter presented as a grievance within this grievance procedure. It is further understood and agreed that a decision at any level of the grievance

procedure that is mutually acceptable to the Association and the Board's representative shall be final and binding upon the grievant, the Association, the Administration and the Board.

- 15.27 Upon mutual agreement of both the Association and the Board, after Level III and prior to Level IV of the grievance process, the parties may engage in mediation. All timelines are paused until the conclusion of mediation. A mutually agreed to mediator may be selected or a mediation service shall be requested to appoint one of its mediators to conduct the mediation conference.

The mediation conference will be scheduled at the earliest dates that the mediator, the parties, and their representatives are reasonably available for such purpose. The mediation conference will be conducted informally. No record of the conference will be made and everything said at the mediation conference by the parties and their representatives will be regarded as settlement discussion.

If the parties resolve the grievance through mediation, they shall reduce the terms of the settlement to writing. Unless the Board and the Association agree otherwise, the resolution of the grievance through mediation shall be on a non-precedent basis.

The costs of the grievance mediation, if any, shall be shared equally by the Association and the Board.

- 15.28 It is further understood that the parties individually and collectively agree that there will be no interruption or cessation of work in connection with a dispute arising under this Contract.

## **ARTICLE XVI. PERSONNEL RECORDS**

- 16.02 An employee shall be notified of the intent of any administrative or supervisory personnel to place in the employee's personnel file any material which may be considered critical of his conduct, service, character or personality and shall be provided the opportunity to read any such material prior to its being placed in his personnel file. An employee shall acknowledge that he has read the material by affixing his signature to the copy to be filed. His signature shall not indicate agreement with the content of the material, but shall indicate only that he has inspected the material. The employee shall also have the opportunity to reply to such critical material in a written statement to be attached to the filed copy.
- 16.03 An employee shall receive a copy of any complaint which is directed toward him which will become a matter of record.
- 16.04 Anonymous letters or material shall not be placed in an employee's file nor shall they be made a matter of record. Each employee shall have the right, upon request and in the presence of the Superintendent, to review the contents of his own personnel file, with the exception of application for employment, including references.
- 16.05 Material shall be removed from the employee's file by consent of the Superintendent when an employee's claim that the material is inaccurate or unfair is sustained. An employee shall also have the right to use the grievance procedure to remove inaccurate or unfair material.

Committee members must be present to be paid.

- 18.04 Each teacher member of the LPDC shall be a member of the EEA, and shall be appointed by the Association President.

- 18.05 The term of the LPDC members shall be three (3) years, staggered terms. LPDC members may be removed at any time by their appointing authority.

## Appeal

- 18.07 Teachers who appeal decisions of the LPDC shall meet with the LPDC to review the decision in question. If the issue is not resolved, the teacher may appeal the decision to an approved LPDC of a neighboring school district. The Board shall provide a list of such approved LPDC's from which the Association shall then choose.

- 18.10 The members of the LPDC will receive training from a trainer mutually agreed to by the Association and Superintendent to be completed by October 15, 2025.
- 18.11 The LPDC will issue an updated handbook outlining LPDC guidelines within sixty (60) days of the completion of the training.

## **ARTICLE XIX. REDUCTION IN FORCE**

### Reduction in Force

- 19.01 When the Board determines it is necessary to reduce the number of teaching positions because of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, suspension of schools, territorial changes affecting the District, or financial reasons the procedure set forth in Ohio Revised Code Section 3319.17 shall apply. In reducing the number of positions, the Board may suspend the contracts of teachers. The Board will attempt to only suspend contracts at the end of a school year. The Board shall attempt to minimize the number of contracts suspended by not filling vacancies caused by attrition such as resignation, retirement or nonrenewal.

### Procedure

- 19.02 Reduction Other Than By Attrition  
Contracts may also be suspended in part, meaning that a full-time employee can be reduced to part-time status or a part-time employee reduced in hours through the reduction in-force process.
1. Seniority shall be determined by placing all teachers on seniority lists within their area or areas of certification based on final summative evaluations.
  2. The summative evaluation categories shall be:
    - a. Skilled/Accomplished
    - b. Developing
    - c. Ineffective
  3. If two or more teachers on any seniority list have the same length of continuous service, seniority shall be:

- a. the first determiner is the date of the Board meeting at which the teacher was hired; and then
  - b. the second determiner is the effective date; and then
  - c. the third determiner is total teaching experience. The length of continuous service shall not be interrupted by authorized leaves of absence.
4. Reduction in Force Lists - Teachers selected for suspension under this Agreement, shall immediately be placed on a RIF List and such list shall be given to the EEA. No new teachers shall be employed by the Board while there are teachers on the RIF List who are certified for any opening, unless the administration can show that valid program needs or the education goals of the system make it necessary for the Board to fill the position with a new teacher. No teacher on a continuing contract will lose recall rights by declining recall to a position providing fewer hours of work than the employee had been working.

19.03 When making reductions pursuant to R.C. 3319.17, the following provisions will apply.

1. The order of reduction in each certification/licensure area shall be as follows:
  - a. First: members holding limited contracts based on:
    - i. Licensure/Certification;
    - ii. No completed formal evaluation in the District;
    - iii. When evaluations are comparable, by lowest seniority in the District.
  - b. Second: members holding limited contracts based on:
    - i. Licensure/Certification;
    - ii. Competency as determined by formal evaluation; (Skilled/Accomplished; Developing; Ineffective)
    - iii. When evaluations are comparable, by lowest seniority in the District.
  - c. Third: members holding continuing contracts based on:
    - i. Licensure/Certification;
    - ii. Competency as determined by formal evaluation; (Skilled/Accomplished; Developing; Ineffective)
    - iii. When evaluations are comparable, by lowest seniority in the District.
2. Competency and comparable evaluation to be determined solely on the performance component of the teacher evaluation system. The ratings within each individual category are considered comparable only within the same category.
3. Teachers will maintain the right to displace another teacher with less seniority in the teacher's area of certifications provided the teacher has a comparable or better evaluation. However, the assignment to the position shall be accomplished by the administration.

19.04. At least thirty (30) calendar days before Board action to suspend teachers, the Association President shall be notified, in writing, as to the reason(s) for implementation of the reduction in force (RIF). At least thirty (30) calendar days before Board action to suspend teachers, the Superintendent shall prepare a seniority list by contract type. Priority shall be given to those on continuing contracts. A copy of the list will be provided to the Association President and posted at least thirty (30) calendar days before Board action on suspension. A teacher may challenge his placement shown on the list within the ten (10) teaching days following the posting. Teachers will be notified of their suspension by their building principal and/or superintendent. If requested, supervision of their assignment will be provided.

## Recall

19.05. In recalling a suspended teacher to a vacancy for which he is certificated at the time of the offer of recall, the Superintendent shall send the teacher a written offer of employment by certified mail to the teacher's most recent address on school records. It is the teacher's obligation to keep his address and status of certification current on school district records. If the teacher does not accept the offer in writing within fourteen (14) calendar days following the posting of the letter, then his name shall be removed from the recall list and the job shall be offered, in the same manner, to the next most senior teacher on the list who holds the necessary certification. A teacher with a continuing contract at the time of the suspension shall have recall rights until they are rehired, refuse re-employment as a full-time teacher or a position equivalent to his/her previous position, resign, or do not respond within the time limit set forth in this Section. A teacher with a limited contract at the time of suspension shall have recall rights for a period of thirty-six (36) months from his last active workday. A teacher's name shall be removed from the recall list and all his employment rights extinguished upon the teacher's:

- A. failure to respond timely to the offer of recall;
- B. failure to accept an offer of recall for a regular full-time position; or
- C. notice to remove his name.

While a teacher is on the recall list no new hires will occur except when:

- A. there are no staff members on the recall list qualified to fill the vacancy or
- B. all qualified staff members on the recall list decline the offer to fill the vacancy.

19.06. Upon reemployment based on recall, the teacher shall resume the contract status, sick leave and salary schedule experience credit he had at the time of suspension, and shall have seniority which includes the time on suspension.

## **ARTICLE XX. SEVERABILITY**

### Compliance with State and Federal Law

20.01 In the event there is a conflict between a provision of this Agreement and any applicable state or federal agency pursuant thereto, the applicable federal law or valid rule or regulation adopted by a federal agency shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, shall continue in full force and effect in accordance with their terms.

### Changes in the Law

20.02 If, during the term of this Agreement, there is a change in any applicable federal law, or valid rule or regulation adopted by a federal agency pursuant thereto, which would invalidate any provision of this Agreement, the parties shall meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

## ARTICLE XXI. VACANCIES AND TRANSFERS

### Vacancies And Requested Transfers

- 21.01 This Article governs the filling of vacancies in regular teaching positions, the existence of such vacancies and the decision to fill vacancies being the Superintendent's exclusive determination. It is understood that the Superintendent reasonably may determine that there is no vacancy when a regular teacher is using paid leave or has been granted an unpaid leave of absence by the Board.
- 21.02 The Board shall email the posting to bargaining unit members for all teaching, supplemental, and administrative vacancies. All teaching positions in grades K-8 will be posted internally first for two (2) days (48 hours). At expiration, the principal may fill the vacancy with someone from within. If it is not filled from within, the position will be posted externally for at least five (5) days. All positions in grades 9-12, supplemental positions, and administrative vacancies will be posted on the outside for at least five (5) days. The posting period may be waived by the Superintendent where, for unusual circumstances, a delay in filling the position reasonably could be expected to have a detrimental effect on the District. Vacancies will not be filled during the posting period.
- 21.03 The Administration, with Board action where necessary, shall make the final decision on the filling of vacancies, giving consideration to applicant's experience, seniority, qualifications and other educational factors.
- 21.04 If the teacher does not receive a requested transfer, upon request, the reason for not receiving a transfer shall be given in writing by the Superintendent.

### Involuntary Transfers

- 21.05 A teacher will be notified in writing of any involuntary transfer or change in assignment by August 1. Upon the teacher's request, the Superintendent shall meet with the teacher to discuss the transfer or reassignment. This paragraph does not preclude transfers or reassignments after August 1 because of changed circumstances, such as enrollment changes, deaths, resignations, or any other circumstance which is not capricious or arbitrary as to the individual being transferred or reassigned.
- 21.06 No teacher shall be arbitrarily or capriciously transferred.

## ARTICLE XXII. SUPPLEMENTALS

### Method to Determine Compensation

- 22.01 The following percentages are assigned to each extra-curricular class. The values will be multiplied by the negotiated base salary. The maximum amount of experience (within the extra-curricular position) will be twelve (12) years.

## Reemployment

- 22.03 If the Board intends to reemploy the same individual to the same supplemental position held by the person during the prior school year, the position need not be posted as vacant.
- 22.04 If a team and/or schedule are eliminated, the coaches' salaries will be prorated based on the amount of OHSAA-approved season/schedule that has been completed.

One (1) of the appointees must hold a co-curricular or extra-curricular supplemental contract that is not athletic or fine arts related. One (1) appointee must hold no supplemental contract. At such time as an appointee no longer meets the criteria for their appointment, the President of the Association will name a replacement, using the criteria required to maintain the balance of positions as indicated above.
      - ii. Three (3) members shall be appointed by the Superintendent. The Superintendent may replace these appointees at their discretion.

4. The Board, upon the Superintendent's recommendation, may add supplemental contract positions at its discretion, without the SRC's recommendation, provided it provides notice to the SRC before placing the position on the salary schedule. Additionally, the Board has the discretion to fill or not fill supplemental contract positions on an annual basis.
5. The Supplemental Review Committee shall establish its own procedures and meeting dates, notifying the Association President and the Superintendent.

**ARTICLE XXIII. COMPENSATION**  
(Includes Educational Allowance)

Purpose

- 23.01 The Board of Education shall adopt a single salary schedule for teachers. The single salary schedule for all professional certified personnel is designed to afford fair and consistent treatment for all teachers and to attract and hold the most competent and desirable professional personnel to the system.

Experience Credit

- 23.02 A teacher shall be credited with a year of teaching experience in the District, whenever he has taught at least one hundred and twenty (120) days of any school year in the district.
- 23.03 A person who has served in the armed services shall be credited one (1) year for each or major part of a year (eight (8) months) served to a maximum of five (5) years. The teacher is responsible for notifying the Treasurer, in writing with supporting documentation, of the qualifying experience. This notification must occur prior to September 15 in order for the credit to be applied to that school year unless the teacher is hired after September 15<sup>th</sup>. In such case, the teacher shall supply the supporting documentation within two (2) weeks of beginning employment.
- 23.04 A teacher may be provided up to fifteen (15) years credit for years of experience.

Training Credit

- 23.05 Courses that may be used to improve position on the salary schedule after a Master's Degree are graduate level courses taken in an approved (recognized by the ODE Division of Certification) graduate school.
- 23.06 For those staff members not possessing a Master's Degree, the courses taken for salary schedule improvement must be applicable to their respective Master's Degree programs.
- 23.07 Exceptions to this may be made by the Superintendent for;
- A. staff members completing courses and programs for alternate certification and
  - B. other good purpose as determined by the Superintendent.

Filing of Earned Credit

- 23.08 A transcript of credits of work completed must be filed with the Superintendent's office on or before the September or March Board meeting in order to receive salary schedule credit in a given year. Those approved in September will have their salary retroactively adjusted to the beginning of the school year. Those approved

at the March meeting will have their pay adjusted beginning the first pay in April. The responsibility for this action lies with the teacher concerned.

### Salary Reduction

23.09 In conformity with state law the base salary of any teacher shall not be reduced unless the salaries of the entire staff are reduced proportionately. No teacher shall receive a reduction in salary because of schedule revision, but shall remain at salary step until an increase is mandated by same.

### Method of Computing Daily Rate

23.10 In computing deductions for those absences for which a deduction shall be taken, divide the total annual salary by the number of days in the school year as determined by the official school calendar. For those staff members whose contracts call for a longer period than the school calendar year the appropriate number of days shall be used.

23.11 The salary of any teacher whose contract starts at a date later than the opening day of school shall be computed by multiplying the daily rate by the number of teaching days remaining in the school year.

23.12 Any teacher leaving the employ of the Board before the expiration of his contract shall be paid for the number of days actually taught. At termination of contract full payment shall be made within a reasonable time if possible.

### Salary Deductions

However, the retired teacher may use only a maximum of five sick days per semester from the sick bank.

The Board of Education will make STRS employer contributions for the retired teacher in accordance with STRS rules and state law.

A teacher shall be deemed "retired" under this agreement when he has been approved for service retirement by the State Teachers Retirement System. Upon the retired teacher's "second" retirement he will receive severance pay, if he has served a second ten consecutive years in the Elida School System.

An active teacher who is not yet retired will not be expected to give up any of his severance pay, including any Retirement at Initial Eligibility supplemental severance for which he would otherwise be eligible.

This Article applies to all retirees.

### **ARTICLE XLIII. COMMUNICABLE DISEASES**

#### Board Policy on Communicable Diseases

43.01 The Board recognizes that communicable diseases are a significant medical and social problem. The Board desires to protect the rights of employees who may have been exposed to or have contracted a communicable disease.

## Nondiscrimination

- 43.02 An employee who is otherwise qualified to perform all the requirements of his job shall not be terminated or otherwise discriminated against with respect to his wages, hours, terms or other conditions of employment because the employee has been exposed to or has contracted a communicable disease. If the employee's health becomes a threat to the health of others or should the employee be unable to perform duties after reasonable accommodation has been provided by the employer, then federal and state law shall apply.
- 43.03 No employee shall be subjected to random, arbitrary or across-the-board testing for exposure to or contraction of a contagious disease except as required by law.

## Medical Evaluation Team

- 43.04 The Board believes that each employee diagnosed as having been exposed to or having contracted a communicable disease is entitled to evaluation of his medical condition.
- 43.05 Decisions regarding the advisability of a particular employee continuing to work at/in the District shall be made only after consideration of all the available information regarding the physical condition of that individual.
- 43.06 Consistent with legal requirements, the Superintendent may convene a medical evaluation team. That team will consist of an Administrator assigned by the Superintendent, the individual's primary care physician, a doctor designated by the Board, a third doctor chosen by the other two (2) doctors, and a representative of the Allen County Health Department. The Administrator shall act as chairman and convene the Team. The Team has the authority to request additional expertise as may be considered necessary and appropriate. The employee will be allowed to have an attorney present, if so desired.
- 43.07 Within two (2) weeks of the convening of the Team, the Team will determine what tests or examinations of the employee are appropriate, conduct those tests or examinations, and make a written report to the Superintendent. The report shall state what tests or examinations were conducted and shall specify:
- A. whether the employee has been exposed to or has contracted a communicable disease;
  - B. the identity of the disease, its nature and prognosis;
  - C. whether the employee is otherwise qualified to remain in his job (that is, can meet all the job requirements in spite of the medical condition);
  - D. what accommodation the Board shall make so that the employee reasonably may continue to meet all the requirements of his job;
  - E. the nature of the risk of the employee's medical condition (how the disease is transmitted);
  - F. the duration of the condition (how long the carrier is infectious);
  - G. the severity of the risk of the medical condition (the potential harm to third parties) and
  - H. the probability the disease will be transmitted and cause varying degrees of harm.
- 43.08 A majority of the Team's doctors will determine the Team's decisions.
- 43.09 All costs of the Team will be borne by the Board (after insurance coverage).
- 43.10 Upon a reasonable belief by the Superintendent that there has been a change in the employee's medical condition, the Evaluation Team will reconvene to review the circumstances of the infected person. If the review suggests a need to revise the initial recommendation, it will be done in a timely manner and directed to the Superintendent. The recommendation may include a reassignment of responsibilities, sick leave or leave of absence.

## Employment Status

- 43.11 Within two (2) weeks after receipt of the report, the Superintendent shall inform the employee of any changes that will be made in the employee's employment status or assignment. The Superintendent may place the employee on leave, paid or unpaid, or reassign him. The Superintendent's action must be consistent with the medical evaluation report, federal and state law, and the nondiscrimination provision of this policy.
- 43.12 The employee may file a grievance concerning the Superintendent's action within the time limits of the grievance procedure. The filing will be treated as a request for arbitration, and arbitration shall proceed in accordance with this Agreement. The medical evaluation report shall be in evidence before the Arbitrator.

## Disability Retirement

- 43.13 The Board shall support the employee's application for disability retirement as appropriate based on the medical evaluation.

## Communicable Diseases Education Program

- 43.14 The Board directs the Administration, with the advice of the Communicable Disease Advisory Committee, to develop a program for educating persons regarding communicable diseases. The program should provide a plan for making information about communicable diseases available to students and employees. The program should include in-service training for teachers, Administrators and non-teaching employees. The Board and Administration will assist other public agencies in providing information about communicable diseases to the public. In developing such programs it is expected that information from sources such as the National Centers for Disease Control, the Ohio Department of Health and the Ohio Department of Education will be utilized. One of the purposes of the education program will be to help dispel fears based upon erroneous information or a lack of information.

## Confidentiality

- 43.15 The Board recognizes the need to protect the individual rights and the health of persons infected with communicable diseases and rights and health of those not similarly infected. The Board believes that information concerning the health of any employee should be treated as confidential information and should be made known only to those required to have such information. The employee shall be given a list of those persons (other than those on the Evaluation Team) to whom the Board, Superintendent or any other Administrator has given this information.
- 43.16 The Superintendent, Principal, School Nurse and the employee's immediate supervisor shall be informed of any physical condition which may require special attention. Unless there is a specific need, students and other employees shall not be informed about the individual's physical condition, including whether an individual is infected with a communicable disease.
- 43.17 In the event the communicable disease incident becomes known to the public, the Superintendent will be the administrative authority to respond to questions and project the information necessary to the community. His strategy shall be to support the recommendation of the Medical Evaluation Team and to maintain the confidentiality of the person infected with the communicable disease.

## Policy Review

- 43.18 This policy will be reviewed periodically and revised as necessary, in relationship to the research in this field and expert recommendations toward treatment.

Before providing the notice pursuant to Section 4167.06 (B) O.R.C. the employee must exhaust the process set forth in paragraph 48.03.
- 44.02 An employee who wishes to assert a claim of discrimination as defined in Section 4167.13 O.R.C. shall use the grievance procedure of this labor contract to assert such a claim. The grievance procedure of this Agreement shall be the exclusive means for an employee to assert such a claim, to the exclusion of an appeal; to the State Personnel Board of Review, a lawsuit, or other means of challenge.
- 44.03 The parties desire to deal with safety and health complaints and to attempt to correct any health or safety violation internally. Accordingly, neither the Association nor an employee may file a complaint alleging a health or safety violation with the Ohio Department of Industrial Relations pursuant to Section. 4167.10 O.R.C. until the following process has been completely exhausted:
- A. An employee or Association representative shall first bring an alleged health or safety violation to the attention of the affected employee's immediate supervisor or Principal within five (5) work days of the occurrence of the alleged violation.
  - B. If the immediate supervisor or Principal does not resolve the alleged violation to the employee's satisfaction, the employee or Association must file a formal complaint with the Superintendent within two (2) work days after the employee's conference with the immediate supervisor or Principal. The Superintendent shall prescribe a form for the written complaint which shall include space for the standard alleged to be violated, the specific facts on which the allegation is based, and the precise remedy sought. The Superintendent or his designee shall meet with the employee or Association representative in an attempt to resolve the alleged violation. Within ten (10) work days after the conference, the Superintendent shall provide his written response to the alleged violation.
