

Will County
Health Department &
Community Health Center

VVSD School-Based Health Center

Located at Brooks Middle School

A graphic featuring a large red heart in the center. A white ECG (heart rate) line runs horizontally across the middle of the heart. On either side of the heart, there are stylized white human figures of various sizes (adults and children) holding hands. Each figure has a small red heart on its chest. The entire graphic is set against a blue background.

Convenient & Comprehensive Healthcare for VVSD Students in Partnership with the Will County Health Department.
