

# aim Volunteer With Us!

AIM is looking for more volunteers to participate in our programs! Our volunteers are an incredibly valuable part of every class and camp, and often are the number one thing that group members look forward to each and every week!

## What do AIM Volunteers do?

AIM volunteers serve as Dance, Music, Theater and Art Buddies during each class session – connecting with and supporting Neurodivergent and Disabled group members, participating in all class activities, and assisting staff as needed.

## How do I know if volunteering with AIM is the right fit for me?

We welcome anyone aged 13 and up to volunteer with us! No dance or music background is needed, nor experience working with children or Neurodivergent/Disabled individuals.

## Earn Community Service Credit!

Need community service credit for school? Volunteering with AIM is a great way to fulfill those requirements! We are happy to sign verification letters and timesheets as needed.

## Program Locations

### All That Dance

3012 NE Blakeley St. in Seattle

### Together Center

16305 NE 87<sup>th</sup> St. in Redmond
