

ParentSquare Workshop

October 2025

What is ParentSquare?

A unified, secure platform for school-home communication

Key features:

All-in-one Communication: Provides staff and parents with unified location to share important classroom and school updates in a secure manner (photos/files/flyers)

Two-Way Conversations: Send private messages to your child's teachers/coaches/principals

Auto-Translation: Messages are automatically translated into the recipient's preferred language

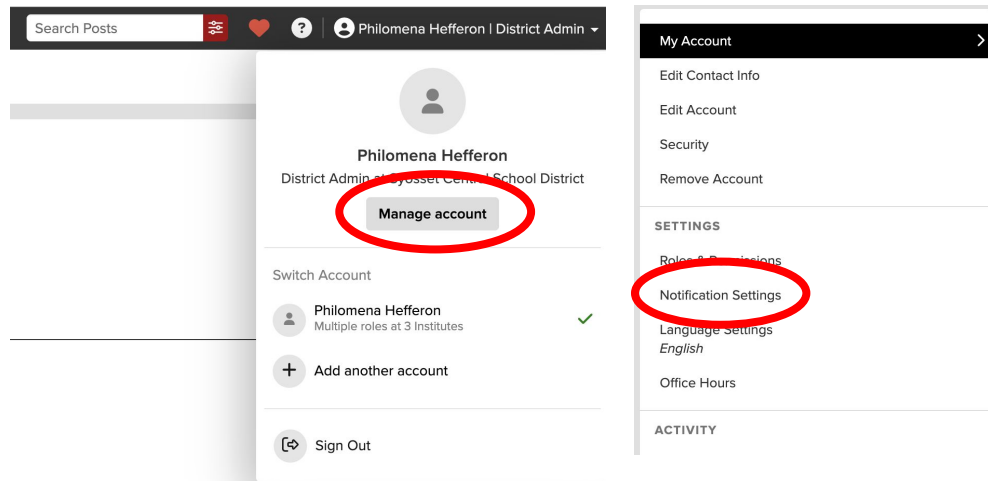

Calendar integration: View upcoming events, deadlines, and parent-teacher conferences all in one place

Multi-Device Access: Use on web, mobile app (iOS/Android), email, or even text message. Families don't need a smartphone to stay connected!

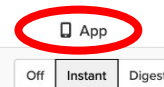

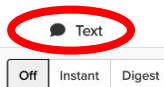

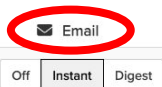

FERPA Compliant: Protects student data and does not sell or misuse student information

ParentSquare Notifications

If a parent never logs into ParentSquare, they will still receive urgent alerts to their devices!

- Parents can choose how they receive notifications.
- The default is “instant” on all mediums – but preferences can be set in “account settings”

How to Message Your Student's Teacher

(DESKTOP VIEW)

Messages

Start a conversation or send a direct message to one or more people

 New Message ▾

Direct Message

Create a separate conversation for each recipient. Like BCCs in email, each person sees only messages from you.

Group Conversation

Create one conversation for everyone. Like CCs in email, each person sees messages with others in the group.

How to Message Your Student's Teacher

How to View Class Documents

(APP VIEW)

What is StudentSquare?

- Secondary students have also been given access to StudentSquare
- They will be able to message their teachers via ParentSquare on their chromebooks and personal devices (outside of school hours)
- This is helpful for after school clubs, class trips, etc.
- Students who have the app will receive push notifications. Students who have their personal cell numbers in Infinite Campus will also be able to receive texts/calls through ParentSquare.

Questions?
