

GAS METAL ARC WELDER

Technical Certificate of Credit

The Gas Metal Arc Welder technical certificate program prepares an individual for employment within the welding and fabrication industry as well as similar working environments where gas metal arc welding (GMAW) applications are required. The certificate generally takes two semesters to complete.

Courses:

Fall Semester:

- WELD 1000 Introduction to Welding Technology (4 hours)
- WELD 1010 Oxyfuel and Plasma Cutting (4 hours)

Spring Semester:

- WELD 1030 Blueprint Reading for Welding Technology (4 hours)
- WELD 1090 Gas Metal Arc Welding (4 hours)

Potential Jobs & Salaries

Although salaries vary by employer, an entry-level Gas Metal Arc Welder generally starts at approximately \$17.00 to \$22.00 per hour. Local employers include Great Dane (Statesboro), JCB (Pooler), Ogeechee Steel (Swainsboro), Advanced Metal Components (Swainsboro), American Steel (Swainsboro), and Dinex (Dublin).
