DISSOLUTION OF ACTIVITY FUND

DATE OF DISSOLUTION

CAMPUS
ORGANIZATION

In the event of the termination of a student club, group, or graduating class, the student officers or the membership should move to properly expend any available money. This student group hereby chooses the following disposition of such remaining funds:

_____ The purchase of a memorial acceptable to the principal to commemorate the historical accomplishments or services rendered by this group (specified below).

_____ The purchase of equipment or tangible items that would benefit future students, provided that such purchases are coordinated through the Finance Department, and the necessary funds are transferred to the PISD General Fund or the Campus Activity Fund (specified below).

_____ A donation to an acceptable established local nonprofit entity that significantly perpetuates the welfare of the district school community in the name of the group and the school (specified below).

SPECIFICS:
Instruction and incentive supplies for students.

Should an organization fail to take the above action, any monies remaining shall be transferred to the Principal's Campus Activity Fund at the beginning of the school year immediately following the termination of the organization.
