Subject: A Grateful End to a Busy Week at KHS

Dear KHS Families,

I think it's safe to say we are all quite ready for a little rest and recharge after a busy Homecoming Week. I want to take a moment to share my deep gratitude for being part of the KHS community. Each week reminds me just how special this place is, and how fortunate we are to have such a dedicated and caring team and amazing students.

This week brought its fair share of challenges, but I was once again impressed by the teamwork, flexibility, and compassion shown by our students, staff, and faculty. Everyone responded with the greatest effort and care to ensure all our students and one another were supported.

It has also been an exciting and busy week welcoming hundreds of prospective students, hosting parent-teacher conferences, our Open House, SAE Night, Robotics competition and several athletic and Homecoming events. Through it all, the KHS spirit has been on full display. As I've had the opportunity to observe teaching and learning across the building, I continue to be inspired by the great things happening in our classrooms every day.

I have so many people to thank for going above and beyond not only our incredible staff and faculty, but also our students, who continually rise to the occasion and make us proud.

Thank you for your ongoing support and partnership.

Warm regards,

Carrie Apanovitch
Principal KHS
