King School vs. Vessels School Attendance Competition

King School has officially accepted a challenge from Vessels School to compete for the title of **Best Attendance for November!**

Here's what's at stake:

The losing school's principal must wear the winning school's spirit wear all day on Friday, December 5, and take a pie to the face delivered by the student with the best attendance! Let's show our Cougar pride and make sure Mrs. Teschke stays pie-free and proudly wears her King shirt, and not Vessels gear!

Come to school every day in November and help King take the win!
