

## Dear Diamond Families and Community Members

My name is Roxanne Lopez, and I am honored to serve as your new Family and Community Engagement (FACE) Liaison. With great enthusiasm, I hope to collaborate with you all in fostering a vibrant and supportive learning environment for our children.

As your FACE Liaison, my primary goal is to strengthen the bonds between our school, families, and the wider community. I am here to serve as a bridge, facilitating communication, building partnerships, and ensuring that every voice is heard and valued. Together, we can create a nurturing and inclusive atmosphere where every child feels supported and empowered to thrive.

Here's a glimpse of what I'll be doing and why it's important:

1. Communication Hub I will be your go-to person for information, updates, and resources from the school. By keeping communication channels open and transparent, we can work collaboratively to support our students' academic and personal growth.

2. Resource Coordination I'll work tirelessly to identify and coordinate resources within our community that can benefit our students and families. Whether it's access to tutoring services, recreational activities, or essential support programs, I'm here to connect you with the resources you need.

3. Cultural Celebration Embracing diversity is essential to our school's ethos. I will organize cultural events, workshops, and initiatives that celebrate the rich tapestry of our community, promoting understanding, respect, and unity.

I am thrilled to share that I will be working out of the Wellness Center, located in Room 101. My hope is to utilize this space to bring engaging workshops and resources directly to our parents, empowering them to support their children's well-being and academic success. My vision for the Wellness Center is to create a welcoming and inclusive environment where every member of our school community can access the support and resources they need to thrive. Together, we can cultivate a culture of wellness and resilience that uplifts our entire school family.

Please feel free to reach out to me with any questions, ideas, or concerns you may have. Together, we can make a real difference in the lives of our children and our community.

Warm regards,

*Roxanne Lopez*
