

10-24-25

Good afternoon families,

We hope you all had a restful fall break! We have had a great with a lot of hard work and excitement. I am sure you have heard about our school wide fundraiser, Boosterthon, which will be happening next Thursday. Students had a kickoff pep rally this week and have been so excited to raise money and help our school! We also finished up our second social studies unit covering the building of our nations government. We know students worked so hard on the assessment this afternoon. We will be switching into a new science unit next week.

As the weather begins to cool down, please be sure that students are bringing jackets to school that are labeled with their name. This will make recess and returning jackets a much easier process.

*** Book Character Parade is a student-only event on Friday morning (October 31st). Students are encouraged to dress up as their favorite book character. They should have a physical book to carry with them as well as their costume. Please do not allow your student to wear a mask or bring a weapon accessory.

Important Dates

October 30: Boosterthon Fun Run @ 12:45

October 31: Book Character Parade/Cranium Challenge Day

November 4: Student Remote Learning Day

November 13: Happy Birthday Mrs. FitzGerald!

November 14: 4th/5th Grade Music Night

Upcoming Major Grades	
October 27 th	On/Adv/Accelerated ELA Unit 2 Assessment
November 7 th	Accelerated Math Unit 3 Assessment
November 14 th	On/Advanced Math Unit 3 Assessment

Homework and Agenda

- At the beginning of each week, students will copy in their agenda any graded class assignments and homework for the entire week
- Monday-Thursday – Read for at least 20 minutes & log your reading in your agenda (at the bottom with the title of the book and time spent), 2 nights of math homework (days will vary)
- Please initial your child’s agenda nightly acknowledging the assignments from the day are complete and review any notes from the teacher.

Copy Club: Thank you to the parents that have already signed up for copy club. We appreciate all of your assistance. We need your help! Please sign up if you are available for an hour or two a week to help with our copy needs. [2025-2026: Copy Club 4th](#)

Curriculum Notes

Math: Students will develop skills and strategies to solve multi-digit multiplication problems.

Accelerated Math: Students will solve real world problems with decimals.

ELA: (Grammar & Writing) Students will be able to identify and use interjections. Students will write, revise, and edit an expository essay.

Reading: Students will analyze a novel written in poetic verse and recognize the author’s poetic techniques (rhyme, structure, figurative language). Students will identify character traits within a poem.

Science: Students will describe the motions of the earth, moon, and sun in space.

Student Success Skills/ReThink: Students will understand how personal values can impact their choices.

Reminders

- If your child is absent from school, please email northwoodattendance@fultonschools.org (and copy me on it) to explain the reason for your child's absence.
- If you have an afternoon transportation change, please email NWESdismissal@fultonschools.org (and copy me on it) before noon the same day.

Thank you for your continued support! 😊

4th Grade Team
