

Make your year-end gift count – help bring high school baseball to Great Falls!

Great Falls Advocates for High School Baseball is proud to partner with GFPS to bring high school baseball to GFHS and CMR. We've reached our first goal of \$101,000 to cover startup fees.

Now, we're working toward our next milestone:

We must raise \$95,050 by January 31, 2026, to make high school baseball a reality for the 2026 season.

With over 1,000 Little League players in Great Falls, it's time our students had the same shot at playing for their high schools—but we can't do it without **YOU**. Every donation gets us closer to the first pitch!

Whether you give \$10 or \$1,000, it all helps!
