

AES Continuous Improvement Plan 2025-2026

Alexandria Elementary School

Vision

The vision of the Calhoun County School System is to provide a high quality education by focusing on the value of learning, ensuring success among students and staff, and maximizing potential as we prepare our students to be productive citizens of our community and world.

Mission

The AES mission is to instill knowledge, create a love of learning, promote self-discipline, and provide a wholesome, safe environment through a comprehensive educational program designed to meet the needs of all of our students by enlisting the cooperative efforts of the home and community.

Beliefs

We believe: Children are our future. All children can learn. Learning is fun. Children should be responsible. A wholesome, safe, nurturing environment is essential.

Student Achievement

Objectives

- Increase academic growth and proficiency in reading and math for all students.

Critical Initiatives

- Utilize tiered instruction through use of research based programs, multi-sensory strategies, and digital resources
- Utilize reading and math interventionist to provide tiered instruction

Key Measures

- Assessment Data
- ACIP/ATOT Walkthrough Data

Teacher Efficacy

Objectives

- Focus professional development for personalized learning

Critical Initiatives

- Provide targeted professional development for explicit and differentiated instruction
- Provide collaborative PLCs focused on math data/information

Key Measures

- Classroom observations; teacher evaluation
- Teacher Survey
- ACAP/iReady/ STAR Assessment Data

Attendance

Objectives

- Increase student attendance to maximize learning time in support of student achievement

Critical Initiatives

- Increase personal administrative contact with parents of chronically absent (18 or more days) students to communicate current attendance status and identify influencing factors of absenteeism

Key Measures

- Average daily attendance and ADM report data
- Contact from helping schools initiative liaison
