

2025 - 2026 Dallas ISD Internship Program

PHASE I: STUDENT INTEREST - HOW TO GET STARTED

Students will officially begin their internship journey through the **GoSprout** platform. This marks the start of Phase I, where students engage with key onboarding tasks, training modules, and preparation activities. GoSprout will serve as the central hub for tracking progress, accessing resources, and completing required steps throughout the internship experience.

STEP 1: CREATE GOSPROUT ACCOUNT. To indicate interest in participating in the internship program, students must first:

- Access the GoSprout QR Code or [link](#) and complete the interest form.
- Once submitted, students will receive a welcome email to begin creating their GoSprout account.

STEP 2: INTEREST FORMS. Complete the Student Internship Interest Form. Students must upload the following signed/dated forms by **Friday, October 31, 2025**:

- [Overview and Student Agreement Form](#)
- [Parent Internship Participation Consent Form](#)
- [Dallas ISD Consent and Release of Liability Form \(Eng / Spanish\)](#)

STEP 3: CAREER INVENTORY ASSESSMENT. Before gaining access to the internship preparation modules, students must complete and submit the Career Inventory Assessment.

- This assessment helps identify each student's interests and strengths, ensuring a more personalized internship experience.
- Access to the internship modules will be granted only after the assessment is successfully submitted.

STEP 4: INTERNSHIP PREPARATION MODULES. Students must complete the GoSprout online internship modules.

- They will receive access to **six preparation modules** designed to build essential skills and knowledge for their internship experience.
- After each module, students will take a **brief quiz** to assess their understanding of the material covered.

STEP 5: CERTIFICATE OF COMPLETION. After students finish all internship preparation modules on GoSprout, they will be asked to submit a personal reflection on their experience.

- This reflection allows students to share insights, takeaways, and feedback from the online modules.
- Once the reflection is submitted, students will be awarded their Certificate of Completion, recognizing their progress and readiness for the next phase of the internship. All modules and the certificate of completion must be completed by **Thursday, December 18, 2025**.
