

Sora

Overview

Sora is a digital library that gives all students and staff access to thousands of titles 24/7/365. This collection consists of digital audiobooks, ebooks, and magazines. These resources can be enjoyed across multiple devices.

Logging In

To get started, visit soraapp.com. Next, search for Sheboygan Area School District. After you have selected SASD (you may need to select it twice) login using your SASD Google credentials.

Feature Focus

All material is sorted into five collections based on grade level.

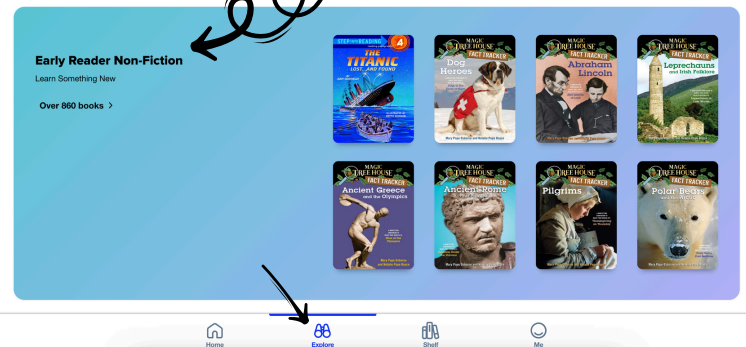

- Lower Elementary - PreK-2
- Upper Elementary - Grades 3-5
- Middle School - Grades 6-8
- Lower High School - Grades 9-10
- Upper High School - Grades 11-12

Each level increase also includes any levels below it. For example, the middle school collection has access to the upper and lower elementary collections.

Getting Started

Once logged in, click the **Explore** button (binoculars) to browse. This page will provide you with curated collections that change monthly!

If you have a specific title in mind, use the search feature in the upper right to search the collection for a specific title, author, or genre!

Using Sora

When you find a title you would like to learn more about. Click on it and you will be given a summary, publication details, and recommendations for similar titles. In addition, under the cover photo, you will find action buttons. Here is where you can borrow the item, place it on hold, sample it, or add it to a list.

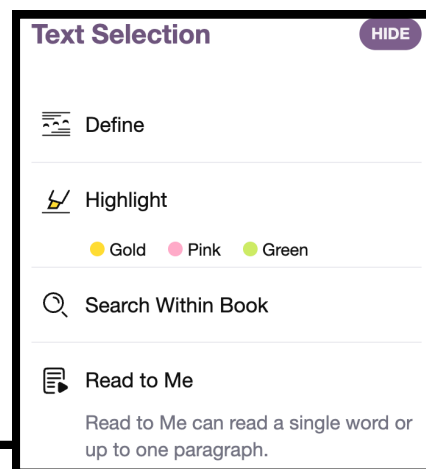

Find your checkouts under the **Shelf** button located in the menu at the bottom of the screen.

Once you open your material, you will find all sorts of helpful tools and features! Adjust the appearance of book for accessibility. Use the bookmark feature to save your spot and pick up right where you left off on a different device! Annotate using Sora's text selection tools!

Audiobooks allow you to adjust the playback speed, bookmark your spot, and turn on a sleep timer!

Love Sora?

If you love this awesome resource your school librarian provided, make sure to show her some love and let her know! Your feedback is helpful when evaluating a database/resource. Have an idea for a great resource? Share it with your librarian and it could be the next new resource at your school!
