Caprock Academy Hosts 10th Annual Pink Out Volleyball Game to Support Breast Cancer Research

Grand Junction, CO — October 13, 2025 — Caprock Academy's High School Volleyball Team will host its 10th Annual Pink Out Game on Tuesday, October 14th at 5:30 pm. The Eagles will host the Grand Valley Cardinals from Parachute. All proceeds benefit the Side-Out Foundation. This annual event raises funds to support the Side-Out Research Program, which focuses on advancing treatment for metastatic breast cancer, the most advanced and least funded form of the disease.

Funds will be raised through Pink Out shirt sales, game admission, and direct donations.

Community members may also donate directly to the Side-Out Foundation through the official High School Volleyball Pink Out Game page.

"This cause is close to our hearts," said Caprock Academy Director of Communications Tisha Moore. "Each donation directly supports innovative research that provides hope and improved treatment options for those battling metastatic breast cancer. We invite the entire community to come out, wear pink, and join us in making a difference."

The Pink Out Game has become a cherished tradition at Caprock Academy, uniting students, families, and the broader community in support of a meaningful cause.
