

Guntersville Elementary School

Vision

Every child a graduate, every child prepared.

Mission

The mission statement of Guntersville Elementary School is to provide a nurturing environment that challenges and motivates students to reach their full potential.

Beliefs

Guntersville Elementary School believes in:

- Maintaining High Expectations for Faculty and Students
- Providing Student-focused Learning Opportunities
- Laying a Solid Academic and Social Foundation
- Data-driven instruction to meet individual student needs

Student Growth

Objectives

- Increase student academic growth in math and reading

Critical Initiatives

- By May 2026, students will meet academic growth by improving proficiency percentages in both math and reading as measured by state assessments (iReady and mClass).
- Provide effective Tier 3 math and reading intervention.

Safety

Objectives

- Ensure the physical and emotional safety of all students, faculty, and staff.

Critical Initiatives

- Utilize kiosk at front desk to screen all school visitors
- Install cameras to provide coverage to more areas of the school.
- Utilize PBIS (Positive Behavior Interventions and Supports) to ensure fair, consistent expectations and to reduce disciplinary incidents.

Technology

Objectives

- Prepare students to be good digital citizens and use technology to increase learning.

Critical Initiatives

- Utilize Typing Agent to improve keyboarding skills.
- Upgrade teacher computers
- Provide software to enhance student learning (Book Nacho, Accelerated Reader, Book Taco, etc.)

Key Measures

- iReady data
- mClass data
- Compare mClass and iReady data BME.

Key Measures

- Observations and survey feedback

Key Measures

- ACAP data
- Observations and survey feedback
- ATOT and ELEOT Observation Data
