

Speech & Language News

From October

Learning Themes

This month, we have been talking a lot about fall and Halloween. We've been reading about topics such as bats, pumpkins, apples, and leaves.

Activity Idea

Go on a scavenger hunt in the dark! Grab a couple flashlights and turn off the lights. See what you and your child can find!

Language at Home

It's all about actions and verbs! This month, try to describe the actions of your child, people around you, and yourself. You can even describe what the leaves are doing, or other things around you!

◇ "The leaves are falling down." ◇

◇ "She is sleeping." ◇

◇ "I am putting on my shoes." ◇

◇ "You are jumping up and down!" ◇

Book of the Month

Check out *Room on the Broom* by Julia Donaldson. It's a great book; perfect for answering questions like who, what, and where.

Vocabulary

pumpkin

leaves

rake

pick apples

hay

acorns
