

We surface and inspire each learner's...

CURIOSITY • CRITICAL THINKING • HIGH EXPECTATIONS

We surface and inspire each learner's **curiosity**, **critical thinking**, and **high expectations** for their learning so that they **positively impact** their family, community, and the world.

We are **Curious** Thinkers, **Resilient** Learners, **Collaborative** Leaders, **Purpose-Driven** Citizens, and **Global** Navigators.

We act with **Respect**, **Humility**, **Courage**, and **Joy**.

We learn when we engage in **experiences** that lead to lasting and visible **growth** in our conceptual **understanding**, **competencies**, and **character**.
