Agenda

- Roll Call
- Co-Chair
    - Dr. Elizabeth Paulsen Tonogbanua was selected by the council to serve as Co-Chair of the Beebe School site council
- Health Opt out
    - The council discussed options for ensuring all middle school families have a full understanding of the new health curriculum as it pertains to sex education. Some ideas under consideration are: a FAQ survey for families, Information sessions virtual or in-person and a preview grid home of the lessons in the unit to be covered.
- Caregiver Guide Reviews
    - The new guide has a lot of information that is helpful but can be difficult to find or navigate to. It would be helpful to repost the link directly with

instructions on how to find it on the Principal's Office Page.

- SIP Goal focus and MTSS launch
    - Concerns were raised regarding the grade 7 course MOJO pilot and the feedback students were receiving in class. The hope was that there would be more specific targeted feedback.
    - SIP goals are posted to the school site and include a focus on student engagement with the rise in the number of students meeting grade-level benchmarks.
