Student Instructions for changing your password

1. Select Miners App Portal (this is also the place you can see any apps available for you to install to your device).

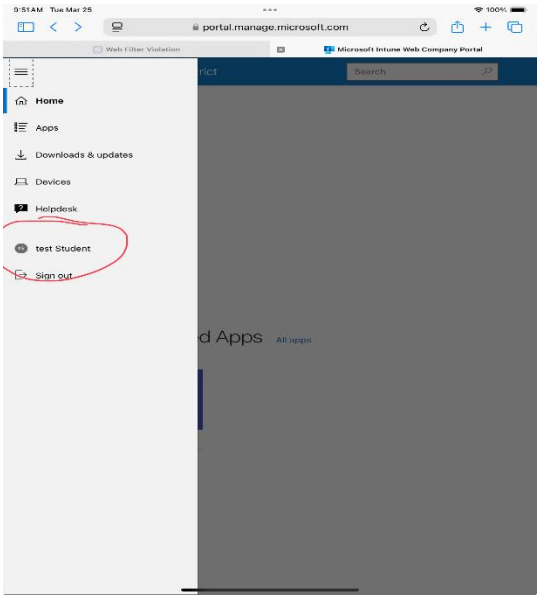

Sign into your account using your Battlinminer email address. Your default password will be set as miner123.

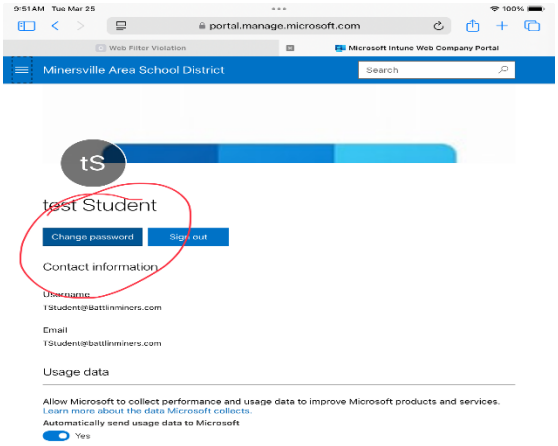

3.once logged in select the icon in the top left as circled in the picture below

4. select your account as in the picture below

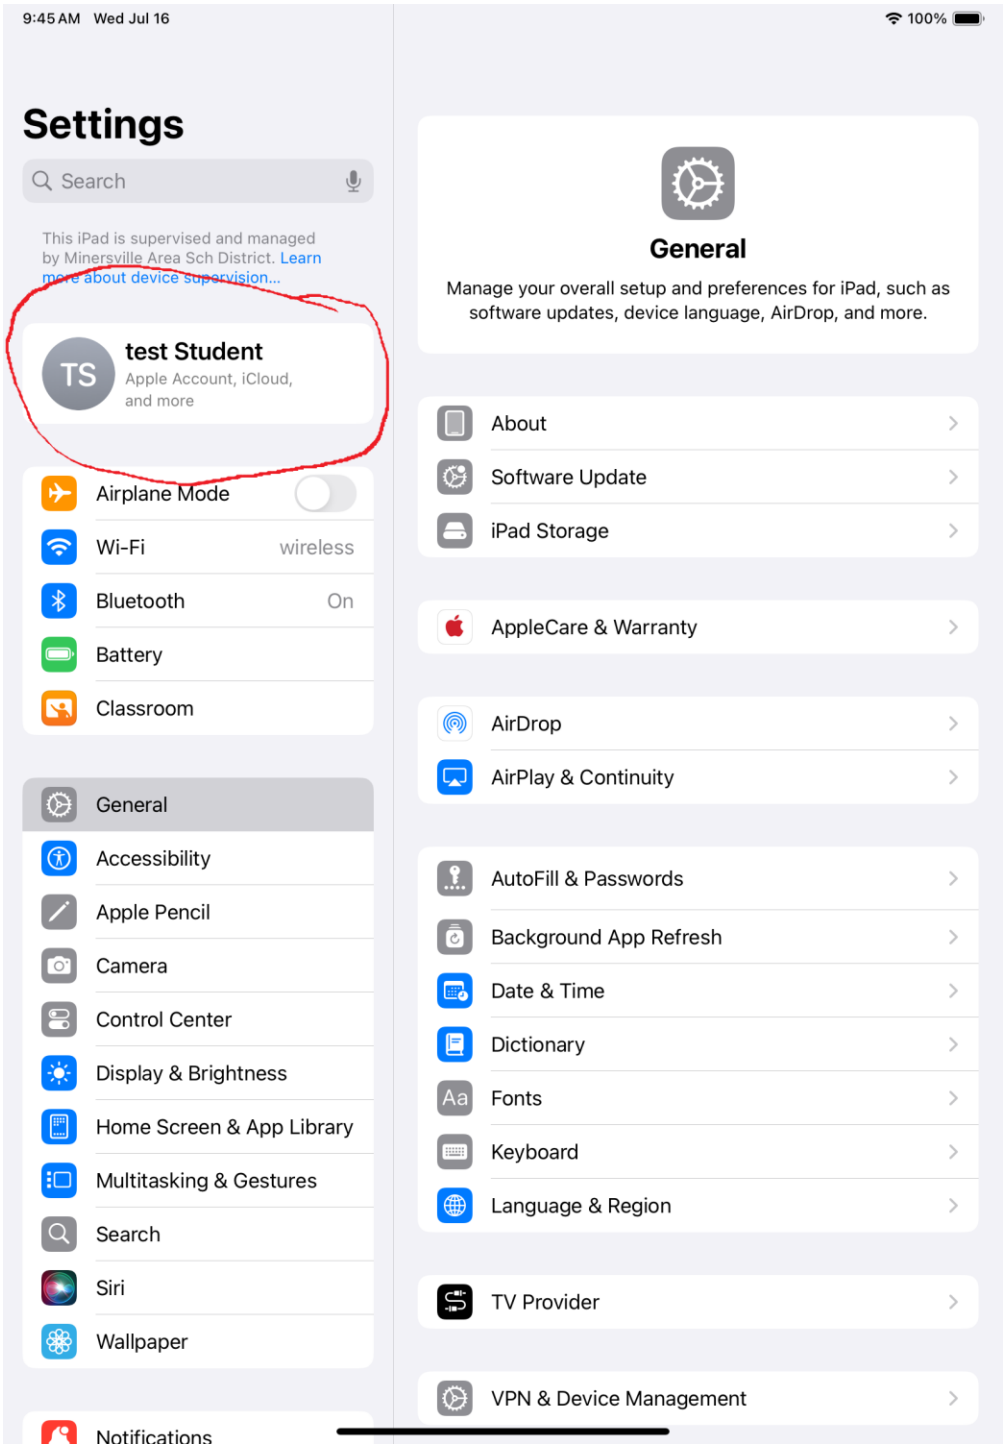

5. click on change password

6. follow the instructions, use your current password miner123 and then enter password of your choice in both locations. New Password and confirm new password. Please make note of your password as you will use this for your email, clever, apple account and adobe sign on.

7. While irrelevant for password change don't forget to apply your apple id to your device. Your apple id will be your battlinminer email account.
