CENTER STREET TEDDY BEAR WORK- SHOP!

Center Street kindergarteners became “nurses” for a day as they took care of their teddy bears!

2

DENTON CELE- BRATES THE 6 CS DURING POG WEEK

The POG team at Denton Avenue hosted a special celebration to introduce the six Core Competencies to students.

3

SEARINGTOWN SCOTTIES COMMUNI- TY CIRCLE

The Searingtown Scotties participated in a meaningful Community Circle in honor of Unity Day.

4

HERRICKS HIGH SCHOOL VOLLEYBALL “DIG PINK”

The Herricks High School volleyball teams hosted their annual “Dig Pink” tournament to support breast cancer awareness.

CENTER STREET TEDDY BEAR WORKSHOP

Center Street kindergarteners participated in a special Teddy Bear Workshop! A nurse visited their class to read a story and guide the students as they became “nurses” for the day. They learned important ways to safely care for their teddy bears and lessons they can also apply to real-life safety.

DENTON AVENUE POG CELEBRATION

The POG team at Denton Avenue, including administration and staff, hosted a meaningful celebration to introduce the six Core Competencies and kick off POG Week. Students reflected on the importance of each competency and how they use them in their daily learning. They reviewed key learning targets for each one and were challenged to think about which competency would be most helpful in answering the question, “What do you want to be when you grow up?” The celebration reminded students to always be kind and that together we can make a difference!

SEARINGTOWN UNITY DAY COMMUNITY CIRCLE

In honor of Unity Day, Mrs. Matson joined Mrs. Brita's fifth-grade class for a meaningful community circle. The Scotties put themselves in others' shoes, shared personal stories about times they felt left out or bullied, and discussed ways to support others who may feel the same. It was a wonderful opportunity to come together, spread kindness, and build a welcoming, supportive classroom community. The activity concluded with students exchanging compliments and kind, encouraging messages, reminding everyone that kindness truly connects us all.

HERRICKS MIDDLE SCHOOL BOOK FAIR

Thank you to the Herricks Middle School PTA for organizing another amazing book fair for our students!

The Highlanders had a great time browsing the shelves and discovering a wonderful variety of books, with something for everyone to enjoy. Events like these help foster a love of reading and give students the opportunity to explore new interests, genres, and authors.

HERRICKS VOLLEYBALL

“DIG PINK” TOURNAMENT

Congratulations to our Herricks volleyball teams on another successful Dig Pink Tournament! It was a wonderful evening celebrating our athletes while supporting Breast Cancer Awareness Month. Thank you to all the students and staff who helped organize and run the event, and to everyone who generously donated to this important cause. All proceeds will benefit the Side-Out Foundation!
