

Coming Soon to Shiloh Chess Club!

Intramurals are organized team, individual, or group activities in which students within the school participate voluntarily for fun and/or exercise. All students at Shiloh Middle School are eligible for participation in intramural activities. They are supervised by a school employee, not open to spectators, and generally take place after school.

** Permission slips for Chess Club will be available starting October 6th during lunch or via a link in future SMS parent newsletters.
Any questions, please contact Mrs. Giles at gilesm@parmacityschools.org.
