**WHAT IS A One Team, One Goal: Family-School PLAN?**

This is a plan that describes how NLE provides opportunities to improve family engagement to support student learning. NLE values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that NLE will support family engagement and how parents/families can help plan and participate in activities and events to promote student learning at school and at home.

**WHERE IS THE One Team, One Goal: Family-School PLAN AVAILABLE?**

The One Team, One Goal: Our Family-School Plan and all other Title I information are available on our school's website at <https://nle.walkerschools.org/> under the Title I Section. Families can also find paper copies of this Family-School Promise in our Family Engagement Center and the front office. A paper copy is sent home with each student in the fall.

**HOW IS THE One Team, One Goal: Family-School PLAN DEVELOPED AND REVISED?**

North LaFayette Elementary (NLE) welcomes parent/family input and comments at any time regarding the plan. All feedback will be used to revise the plan for next year. The plan is posted on our school website for parents/families to view and post feedback throughout the year. We also distribute an annual survey in the spring to ask for suggestions on the plan and the use of funds for parent and family engagement. Feedback is requested from teachers to help with the revision process each year. Residential facilities in our district are also included in the activities and correspondence for family engagement.

**COMMUNICATION**

North LaFayette Elementary believes that two-way communication is necessary for student success. Parents can help improve two-way communication by keeping all phone numbers and emails updated. If you would like to email a NLE staff member directly, please visit our directory found on our website. Parents can request a meeting at any time.

**OUR DISTRICT GOALS**

**Reading:** At the end of the 2026 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestone ELA assessments from the 2025 results.

**Math:** At the end of the 2026 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestone Math assessments from the 2025 results.

## OUR SCHOOL GOALS

Improve student reading achievement as shown by a 3% increase in the median performance percentile from the Spring 2025 MAP assessment to the Spring 2026 MAP Assessment as well as a 3% increase in the number of students performing at proficient and above on the Spring 2026 Georgia Milestones Assessment. Improve student mathematics achievement as shown by a 3% increase in the median performance percentile from the Spring 2025 MAP assessment to the Spring 2026 MAP Assessment as well as a 3% increase in the number of students performing at proficient and above on the Spring 2026 Georgia Milestones Assessment.

## WHAT IS INCLUDED IN OUR One Team, One Goal: Family-School PLAN?

An effective Family-School Plan contains the following elements:

- Clear learning goals that are linked to the school's improvement plan.
- Specific skills students will learn during the year.
- Strategies that staff, families, and students will use to improve student learning.
- Ways to extend learning at home.
- Methods teachers and family members will use to communicate about student progress.
- Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our Spring Evaluation.
- Reviewed and revised throughout the year during parent-teacher conferences, building parent capacity activities and other times as appropriate.

## ENGAGING AND EMPOWERING FAMILIES WITH...

- **Title I Program:** We will host our annual Title 1 meeting in the fall. The Title 1 video will be available on the school website for future opportunities to review the information discussed.
- **Student Progress Monitoring:** Infinite Campus is an online resource that allows families to view grades, attendance, schedules, assessment, and your child's results, course history, and much more. Monitoring your child's progress in school is an important way to be engaged.
- **Communication:** We will communicate, to the extent feasible, all information with you in a language and format you understand. Whenever possible, we will provide interpreters during parent workshops, and academic events. Translation is available for most documents.
- **Transition Support:** Entering a new school can be scary for both students and families. We will host events to make sure both you and your child are aware of what is expected and how you can prepare as your child transitions to a new school level, college, and career.
- **Parent Resources:** We have many resources available for checkout to use at home with your child. We also host several parent workshops to empower you as you work with your child at home. Opportunities are listed below.

[Open House](#)- August 6, 2025

[Volunteer Orientation](#)- August 14, 2025

[Annual Title 1 Meeting](#)- August 28, 2025

## WORKING TOGETHER TO ENSURE SUCCESS

### *North LaFayette Elementary will...*

- Provide all students with the opportunity to monitor growth in comprehension, fluency, and vocabulary, as well as, increase their independent fluency level.
- Communicate reading growth with students and families. Update Infinite Campus regularly.
- Be ready to teach and come prepared with age appropriate lesson plans every day.
- Develop positive relationships through meaningful family communication.

### *As Students, we will...*

- Use the strategies, activities, and ideas provided by teachers to practice and improve reading comprehension when at home. Read for 20 minutes each day.
- Be ready to learn and do my best on each assignment given, be positive by encouraging others, having a positive attitude, and respecting others.
- Talk to my parents and teachers about my academics/behavior achievements to determine how to reach my goals. Monitor my progress with Infinite Campus.

### *As Families, we will...*

- Visit teacher suggested websites and attend family engagement events to learn ways to support my students reading and academic growth.
- Check Infinite Campus and attend meetings to ensure my student is completing assignments to the best of their ability. Infinite Campus is a great way to monitor student progress throughout the year.
- Maintain an open line of communication with my students and their teachers.

---

Please sign and date below to let us know that you have read, received, and agree to this family-school promise. Once signed, please return this portion of the form to your child's homeroom teacher and keep the remainder of the promise as a reminder of your family's commitment to your child's learning experience at North LaFayette Elementary. The promise will be discussed with you throughout the year at different school events as we work together to help your child succeed in school. We look forward to further developing our partnership with your family!

Sincerely,  
Jennifer Martin, Principal
