MEETING ACTIVITIES	NOTES:
Good Things Gear 1: What is it that we want for students to know and be able to do? Gear 2: What evidence would we accept that students have learned the required content? Gear 3: What instructional practices will produce our best results? Gear 4: What will we do if our students have not learned it? Gear 5: What will we do to differentiate instruction when students already know it? Gear 6: What will we do to improve, catalog, and save our work? Launch	
Success Criteria	How will we measure our success?
