

FLORIDA ORANGE

DID YOU KNOW?

- Florida Oranges are known for their sweet, juicy taste, with varieties like Valencia and Navel.
- Florida Oranges can sometimes appear a bit greener than those grown in other states, which is due to the warm nighttime temperatures and is not an indicator of ripeness.
- Florida oranges are an excellent source of Vitamin C, supporting immune function and providing antioxidant benefits.

FUN FACT!

The orange is the state fruit of Florida, and the orange blossom is the state flower.
