September 25, 2025

Fannin Family,

The future isn't just something that happens; it's something we build, hand in hand, right here in our community. We look forward to continuing to serve the students of Fannin County for decades to come.

The Fannin County School System believes in nurturing children's potential, preparing them not just for tomorrow but for decades to come, and we're excited to share our vision for their future. Our plan encompasses initiatives such as constructing a new CTAE facility to equip students with essential career skills, strategically realigning our elementary schools into two PreK through 2nd grade schools, and building a new 3rd through 5th grade campus to enhance focused learning and age-specific development. Additionally, investing in athletic and extracurricular venues will continue to serve as a cornerstone of our community. Our commitment to students, staff, and the entire Fannin family drives these efforts. This would not be possible without the continued, vital community support through initiatives like ESPLOST, which helps us achieve our goals, remain debt-free, and maintain one of Georgia's lowest millage rates.

We will post our progress in the days to come in an effort to keep the community informed about your SPLOST dollars at work.

Thank you again for your support of our school system. Helping our children become successful citizens is a community effort that we embrace together in Fannin County.

We Are Fannin!

Shannon M. Dillard
Superintendent

The Fannin County School System does not discriminate on the basis of race, color, national origin, sex, age, religion, creed, or disability in admission to its programs, services, and activities, in access to them, in treatment of individuals, or in any aspect of operations. This also includes but is not limited to additions, modifications, or alterations to the physical plan of any school facility.
