- Bilingual Licensed Practical Nursing
- Business and Hospitality Certificates – Business
- Business and Hospitality Certificates – Business and Hospitality
- Business & Accounting Certificate Program (Ramsey, Hackensack, Nutley, NJ) – Business Operations and Accounting
- Culinary Arts
- Cybersecurity & Network Technology (IT / Network Support Degree – Nutley, NJ)
- Diagnostic Cardiovascular Sonography (Bachelor's Degree – Ramsey, NJ)
- Electrician Apprenticeship
- Electronics and Computer Technology (Hohokus, NJ)
- Facilities Management

(Eastwick Education Continued)

- Funeral Service
- Health Science – Health Information Technology Concentration
- Health Science with Pharmacy Technician
- Heating, Ventilation, Air Conditioning, and Refrigeration Technology (HVAC/R)
- Licensed Practical Nursing
- Welding and Manufacturing Technology
- Medical Assisting
- Medical Billing & Coding
- OB/GYN – Diagnostic Medical Sonography
- Occupational Therapy Assistant
- Patient Care Technician
- Plumber Apprenticeship
- Registered Nurse
- Surgical Technology (Associate Degree – Ramsey, NJ)
- Technical Studies (Electrician School Bergen County, NJ)
- Diagnostic Cardiovascular Sonography (Associate Degree)
- Welding

Bergen Tech:

- [Advanced Manufacturing](#)
- [Business Administration & Management \(BAM\) – Hybrid Program](#)
- [Cosmetology \(Hybrid\)](#)
- [Electrician](#)
- [Heating Air conditioning, Ventilation and Refrigeration Maintenance/Technician](#)
- [Plumbing Technology/ Plumber](#)

Lincoln Tech:

<https://www.lincolntech.edu/programs>

At Lincoln Tech's automotive technical schools, students receive instruction in:

- [Engine repair](#)
- [Performance tuning](#)
- [Electrical systems](#)
- [Diagnostics](#)
- [Transmissions and A/C systems](#)
- [Brakes, steering systems and suspensions](#)

(Lincoln Tech Continued)

Highlights of Electrical Technology Training

- The foundation and history of the electrical and electronics industries
- Electronic and electrical principles
- Controls and wiring
- Computers and networking
- Fiber optics, telecom systems and PLC
- Security and closed-circuit TV systems
- Fire alarm systems
- A/V, home theater and satellite/cable TV systems

Highlights of Patient Care Technician Training

- Anatomy and physiology
- Performing electrocardiograms
- Phlebotomy
- Geriatrics
- Basic Life Support (BLS)
- Taking vital signs
- Obtaining and transporting lab specimens

Highlights of Dental Assistant Training

- Dental office management
- Dental anatomy
- Infection control
- Chairside assisting
- Prosthodontics
- Dental health
- Dental radiography

Welding School Highlights

- Welding and cutting fundamentals
- Arc welding and plate welding processes
- Fabrication processes
- Shielded metal arc welding (SMAW)
- Gas metal arc welding (GMAW)
- Flux core arc welding (FCAW)
- Shielded metal arc welding (SMAW)
- Gas Tungsten arc welding (GTAW)

Highlights of HVAC Training at Lincoln Tech

- Climate control systems
- Electricity
- Heating system controls and mechanics
- Basic refrigeration systems
- Air conditioning system design and layout
- Commercial refrigeration design and control
- Energy efficiency and green technology systems

Local Trades

Plumbing Trade:

Local 24

- Airports (New, Expansion, and Renovation)
- Bio Research Labs
- Commercial Office Building
- Educational Institutions, both Public and Private
- Food and Beverage Facilities
