File: CH

POLICY IMPLEMENTATION

The Superintendent has responsibility for carrying out, through procedures, the policies established by the School Committee.

The Superintendent will be responsible for specifying required actions and designing the detailed arrangements under which the school system will be operated in accordance with School Committee policy. These detailed arrangements will be designed to implement policies, goals, and objectives of the Committee and will be one of the means by which the school system will be governed.

The policies developed by the Committee and the procedures developed to implement policy are designed to increase the effectiveness and efficiency of the school system. Consequently, it is expected that all employees and students of Dartmouth Public Schools will carry them out.

Administrators and supervisors are responsible for informing staff members in their schools, departments, or divisions of existing and updated policies and regulations and for seeing that they are implemented in the spirit intended.
