

ROBERT F. KENNEDY HIGH SCHOOL

Athletic Gameday Transportation Form

The Delano Joint Union High School District Athletic Code (BP/AR 6145) regarding transportation states:

All participants will ride to and from all school related athletic events on district provided transportation. Any request to use private transportation must be submitted to the Athletic Director for approval prior to the event.

Requests may or may not be approved. The requests must be made in written form and signed by the legal guardian of the student. This should only be done in an emergency situation. Under no conditions should the athlete be released to anyone other than the legal guardian/parent.

Note: The RFK High School Athletic Department encourages athletes to travel to and from away athletic events with the team. If parents/guardians need to transport athletes to/from away events, permission may be granted on a per event basis. This form must be completed for each sport's season.
