SPECIAL BOARD MEETING
October 15, 2025

The special meeting of the Board of Directors of Ritzville School District #160-67 was held in the Lind-Ritzville High School Collaboration Room on October 15, 2025. The following members were in attendance:

Ritzville School Board Members:	Erin Repp	Reid Phillips	Andy Powell
	Tia Kubik	Scott Carruth	

Also present was Superintendent Gary Wargo and a community member.

Ritzville Chair Repp called the Ritzville School Board meeting to order at 6:00 P.M.

The Boards discussed:

Levy Information

Superintendent Wargo presented information to the boards about the upcoming levy. The boards discussed levy limitations for the Ritzville School District and reviewed levy collection rate that voters are paying in calendar year 2025. The board also discussed keeping the overall levy rate similar to that of 2025 or raising the rate slightly in order to increase the capital projects levy from \$50,000 per year to \$100,000 per year. The board was presented with updated facility repair needs and it was suggested they consider raising the capital projects levy in order to begin accumulating funds needed to address major maintenance projects over the next 3-5 years.

The school board gave Superintendent Wargo guidance on which options to include in the levy resolutions that will be discussed and approved at the October regular board meeting.

Superintendent Search

Superintendent Wargo shared a draft survey from Andy Wolf (from NW Leadership Association) that would be used to collect input on the professional and personal qualities the community would like to see in applicants for the superintendent position. All agreed that the survey could be shared with staff and the community. The survey will be communicated via various means, such as district website, email to families, social media posts and newspaper ad.

At 6:55 P.M. an Executive Session (per - RCW 42.30.110) was called for approximately 20 minutes with no action to follow. The Board came out of Executive Session at 7:15 P.M.

With no further business, Ritzville Chair Repp adjourned the meeting at 7:16 P.M.
