

Developmental Biology

Aryus Jones
2025-2026

701-499-1848 or aryjones@west-fargo.k12.nd.us

Course Description:

Learning and discovering things about Biology basics!

Course Objectives:

- Learning about the Scientific Method
- Understanding cell properties
- Analyzing data efficiently

Course Logistics:

10-15 min	Daily Bell Ringer Activity or Video
45- 60 min	Instructional Time/Presenting lesson information
15-30 min	Individual or Group work time on given task

Communication:

- Class Updates/ Changes:
 - Updates and changes will be emailed directly to your school email (outlook). You should be checking this daily.
- Email message:
 - aryjones@west-fargo.k12.nd.us
 - I will respond to emails between the hours of 8:10 - 4:00 Monday- Friday. My hope is a 24-hour turnaround, so if you do not hear from me within 24hours you may need to re-email me.
- Phone: 701-499-1848
Voicemail will be checked daily (M-F) between 12:30-2:00

The best way to get ahold of me is through my email, as I am in multiple meetings and classrooms throughout the day.

Grading:

- You will receive your grade based on the following
 - Task effort towards mastery in content area
 - Participation in lesson (willingness to complete them to your full potential)
- **Eligibility**
 - Educators are expected to update gradebooks weekly, the evening before eligibility is pulled, and learners must plan accordingly if they expect updated grades for missing or redone assignments.

Tests/quizzes/class work:

- You will not be able to come out of your classes for the 1st 10 minutes of each block.

- You are required to have an eHall pass anytime you are leaving your class.
- Unless otherwise determined by your classroom teacher, you will need to return to your class for the last 15-20 minutes.

Materials:

- Daily:
 - WFPS issued iPad and charging accessories
