October 27, 2025

Dear Parents/Guardians,

Even though the first marking period isn't over until October 31st, we would like to begin scheduling parent/teacher conferences for November 24th and 25th. Parents have the choice to conference with their child's teacher in-person or virtually. Sign-ups will be available tomorrow, October 28th.

To set up a parent/teacher conference, please visit the Schoology page of your child's teacher. The conference sign-up will be posted at the top of the Schoology page. Simply click on the link and follow the steps to schedule your conference. Your information will only be visible to the teacher.

PLEASE NOTE: If you have more than one child, you will need to log-in to each teacher's Schoology page to schedule a conference.

We ask that you make every effort to attend your in-person or virtual parent/teacher conference without your child. Having your child in attendance, could make it more difficult for parents and teachers to talk openly without distraction and children cannot be left unattended in the hallway at school. ***Conferences are scheduled in 15-minute intervals; please be mindful of the time so teachers can stay on track.***

For virtual conferences, teachers will provide a Google Meet link to access their conferences. To ensure privacy, you will not be admitted until the teacher is ready to begin your conference. This will keep parents from logging into another family's conference before it is completed.

As always, we appreciate your continued flexibility and understanding as we work to serve our families in the best way possible. If you have any questions about parent/teacher conferences, please contact your child's teacher. Thank you for your attention to this matter.

Sincerely,

Robert L. Holmes
