Such placements may include, but are not limited to: honors classes; vocational, technical and career pathway courses; and International Baccalaureate (IB), Advanced Placement (AP), English Learner (EL), special education and gifted programs. If necessary, the district will waive course or program prerequisites or other preconditions for placement in courses or programs offered at the district. After placement, the district may perform additional evaluations to ensure that the student has been placed appropriately and may change the student's placement after consultation with the student's foster parent.

Best-Interest Determination

Placement

Within three days of the student enrolling, the liaison will organize a meeting or consultation to determine which placement is in the best interest of the student. The meeting or consultation will include a representative of the CD; the foster parents; a representative from the school of origin; the parents/guardians and student, if appropriate; and any other person requested by the student, the foster parents or the CD who has a special relationship with the student. These individuals will be considered the best interest determination (BID) team and, using child-centered criteria, including the appropriateness of the current educational setting and proximity to the school in which the student is enrolled at the time, will determine the best placement for the student. Transportation costs will not be a factor. If the BID team cannot reach a consensus regarding the best placement, the representative from the CD will make the final determination.

The district of placement may bill the district of residence for local tax effort in accordance with law.

Dispute Resolution

If the legal, putative or biological parent (parent) or educational decision maker disputes that the placement assigned by the BID team or CD is in the student's best interest, the parent or educational decision maker ("disputant") may contact the liaison to implement the dispute resolution process. The liaison will provide the disputant with a copy of the district's dispute resolution procedures and answer any questions about the resolution process.

Transportation

If the BID team determines that the school of origin is the best placement for a foster care student, the student will be transported to the school of origin in accordance with the transportation plan developed in collaboration with the CD. Transportation will be provided promptly and in a cost-effective manner in accordance with law. If there are additional costs incurred by the school of origin, the costs will be paid by the CD or the district or shared by the CD and the district.

Transportation Disputes

Disputes over transportation will be handled in the same manner as disputes over placement.

Records

The foster care liaison will provide foster parents and other legal guardians access to student records. In accordance with law, the district will allow a child-placement agency access to a foster care student's records for the purposes of assisting the school transfer
