

**GOVERNANCE STANDARDS**

The Governing Board expects itself to act in the best interests of every student in the district within the legal confines established by law and the fiscal confines established by the budget. The Board shall govern the district responsibly and uphold the highest standards of ethical conduct.

In order to set the direction for the district, provide a high quality education to each student, ensure proper accountability and oversight of the district and the Superintendent, and offer community leadership on behalf of the district and public education, the Board expects itself to have a unity of purpose and to:

6. Take collective responsibility for the Board's performance
7. Periodically evaluate its own effectiveness
8. Ensure opportunities for the diverse range of views in the community to inform Board deliberations

In fulfilling its role, the Board is responsible for:

1. Involving the community, parents/guardians, students, and staff in regularly developing or updating a common vision for the district focused on learning and achievement and responsive to the needs of all students
2. Adopting and updating policies consistent with law and the district's vision and goals
